Face Paint Reminder: We have seen an increase in students wearing face paint. As a reminder, face paint is not permitted at school due to safety concerns. If you come to school wearing face paint, you will be asked to remove it. If you have any questions, please see an administrator. Thank you!

Students are welcome to dress up for Halloween on Friday, October 30th. Costumes will need to be considered appropriate for school. Please avoid masks, face paint that conceals identity, blood/gore, weapons/props, or anything that could be deemed a distraction to the learning environment.

AP Students: AP Exam ordering is open on eFunds through March 5, 2027. The early registration deadline is Nov 8th. Please check your email for ordering details! Use this link to view AP Exam Order Information. If you have questions, reach out to Jamie.Strasser@k12.sd.us, AP Coordinator.

K'POW would like to recognize our first Positive Staff Member and Positive Student for the 2026-2027 school year.

Our Positive Staff Member is someone who always listens and shows kindness to the people around her. She is the type of person you want by your side when you are upset or having a difficult day. She takes the time to understand and support the students in her classroom, and makes a positive difference in the lives of those around her! Please join K'POW in recognizing Ms. Kiblinger as our Positive Staff Member!

Our Positive Student shows kindness and Cobbler spirit every single day! She recently brought homemade gifts for her teachers and consistently comes to school with a smile and a positive attitude. She asks thoughtful questions to make sure she understands her assignments and communicates clearly and effectively. She is a wonderful example of kindness, positivity, and what it means to be a Cobbler! Please join K'POW in recognizing Kassidy King as our Positive Student!

Congratulations to both of our recipients for spreading positivity and making Central a better place!

Other Odds & Ends...

Check Out the Anatomy & Physiology Histology Art Showcase!

Our Anatomy & Physiology students have been studying histology (the different types of body tissues), and they've put a creative spin on what they've learned! For their final project, students created artwork inspired by Impressionism, using short brushstrokes and rich colors to connect different tissue types to familiar, everyday concepts.

🎨 Stop by the first-floor Science hallway to check out their artwork and vote for "Best in Show!" Show your support for your fellow students and help decide which piece takes the top spot! Scan the QR code posted in the hallway, and answer the questions for your vote to count!

📅 Voting Deadline: Friday, November 6, at the end of the day.

MOCK ELECTION
