RAPTOR REPORT

ISSUE NO 10 | OCTOBER 24, 2026

Q2 Sports Reminders

With Quarter 2 sports beginning, we'd like to remind families to submit their child's physical form, consent form, activity fee, and any applicable shorts fee to the front office as soon as possible. Students will not be able to participate until all required forms and fees have been received.

Physical and Consent Forms

The physical form packet is available on the RCAS.org website, under Secondary Athletics → Pre-Participation Form Packet (pages 4–11). Students will also receive a yellow consent form from their coach.

Activity Fees

The activity fee is $25, with the following annual fee structure:

- First Sport: $25
- Second Sport: $25
- Third Sport: $15
- Fourth Sport: Free

Girls' Basketball Shorts Fee

Girls' basketball players are required to purchase shorts for $20.

Raptor Spotlight

This week's Raptor Spotlight focuses on East Middle School's Psychologist Courtney Galyon!

What is your role at East Middle School, and what does your job involve?

My role as a school psychologist is to serve as the bridge between educational success and student wellbeing.

How do you support our students and families?

I partner with families, teachers, and other school staff to identify barriers to learning and develop solutions that help students thrive academically, socially, and emotionally.

Students who feel safe, understood, and emotionally well are better able to attend and learn…Consistent support at home and school, such as predictable routines, trusted adults, and open communication between families and staff, helps students build coping skills they can use across settings.

- Courtney Galyon, School Psychologist

What is one thing you would like parents to know about supporting their child's mental health and emotional well-being?

Students who feel safe, understood, and emotionally well are better able to attend and learn. When anxiety, depression, or stress goes unaddressed, it can reduce working memory, slow processing, and make school difficult, sometimes resulting in avoidance, missed work, or disrupted behavior. Consistent support at home and school, such as predictable routines, trusted adults, and open communication between families and staff, helps students build coping skills they can use across settings. Early attention to emotional wellbeing also prevents small concerns from becoming barriers to academic progress and long-term health.

What do you enjoy most about working at East Middle School?

I enjoy working alongside empathetic, knowledgeable, and hard-working staff who go above and beyond to build rapport with their students, which leads to success in the classroom setting. East Middle School students are truly awesome humans destined for amazing things.

What do you like to do in your spare time?

I enjoy spending time hiking, hunting, playing games, and traveling with my family in my spare time. During colder months, I enjoy reading, completing puzzles, and binge watching my favorite tv shows.

What is one thing on your bucket list that you would love to do?

I would love to hike up to Machu Picchu with my family.

Student Chemical Use and/or Abuse (JFCHA and JFCHA-P)

East Middle School is committed to preventing drug, alcohol, and tobacco use and taking the necessary steps to protect our school community from exposure to these substances.

According to RCAS District Policy, prohibited substances include illegal drugs, controlled substances, look-alike drugs, chemicals that release toxic vapors, and prescription or over-the-counter medications used in ways not permitted by district policy. This also includes alcohol, Juuls and other vaping devices, edibles containing illegal substances, and all tobacco products.

Please talk with your child about the importance of remaining drug-free. Students who bring prohibited drugs or controlled substances to school, or who are under the influence of these substances at school, may face disciplinary consequences in accordance with district policy.

As a reminder, Red Ribbon Week is October 26–30! Let's work together to encourage healthy choices and celebrate our students' commitment to staying drug-free!

Skyward Corner: Accessing Report Cards

Parents and guardians can access their child's report cards through Skyward Family Access.

To view your child's report card, log in to Skyward and open Family Access. Click the "+" on the left side to expand the menu or select the Report Cards tab if it is already visible.

The Report Cards section will display a list of available report cards, including a description and the date each was created. Click the appropriate hyperlink to view your child's report card.

Athletic/Spectator Expectations

Below is a reminder of our expectations for sportsmanship, appropriate behavior, and representing East Middle School positively.

- Fans are expected to show respect to visiting teams, athletes, families, and staff.
- Spectators must remain in designated viewing areas and may not roam the school, grounds, or other areas outside the event.
- Administrators may restrict a student's continued attendance at after-school athletic events for repeated misbehavior or failure to follow expectations.
- Students asked to leave an event will require immediate parent/guardian pick-up.
- After each game, please clean up your area and help pick up any trash left behind.

Student Academic Requirements

To participate in athletics or be a spectator at events, students must have no more than 5 missing assignments and no more than 1 "F" in Skyward.

We are requesting food donations to provide dinner for our teachers and staff that evening. Please review the SignUpGenius to see the items needed. If you are able to provide an item, please feel free to drop it off at East Middle School anytime between October 28-29, 2026.

SCIENCE CLUB

SPROUT SQUAD

Do you love watching things grow?
Science Club is exploring the science (and fun!) of hydroponics and aquaponics — growing plants using water instead of soil!
We'll build and care for living systems, experiment with growth conditions, and harvest what we grow. Whether you're into science, sustainability, or just want to get your hands wet (literally), this is the club for you!
Come help us make things grow in new ways — no green thumb required!

HAVE QUESTIONS?

Native American SENIOR HONORING Feathering Ceremony AND Student Wacipi

05/20/2027

444 N MOUNT RUSHMORE RD
RAPID CITY, SD 57701

Please join us to celebrate our Native American students!

You are invited to participate in the annual RCAS Senior Honoring Ceremony, also known as the Feathering Ceremony. This special event honors our Native American graduating seniors and celebrates their educational accomplishments with their families and community.

The rehearsal and Senior Honoring Ceremony will be held at The Monument.

We look forward to celebrating this meaningful milestone with you and your family.

Families who would like an Eagle feather or plume for their graduate should begin the application process as soon as possible because requests may take time to process.

Apply through the U.S. Fish and Wildlife Service National Eagle Repository:

Finally, please note that, in accordance with RCAS Office of Indian Education precedent, graduate candidates must complete all graduation requirements by the District's established deadline. Candidates who do not meet the deadline will be unable to participate in the Senior Honoring Ceremony.
