PRINCIPAL'S MESSAGE

Dear Pope School Students, Families, and Staff,

It is with incredible excitement and a deep sense of honor that I welcome you to the 2026-2027 school year. While this handbook serves as a guide for our policies and procedures, it also represents the beginning of a new chapter for our school-and a very personal milestone for me as I step into my first year as your Principal.

I have spent the summer months getting to know the history and traditions that make Pope School such a special place. What has struck me most is the vibrant sense of community and the shared commitment to excellence that thrives within these walls. My goal this year is to build upon that strong foundation, ensuring that every student feels seen, heard, and challenged to reach their full potential.

Education is a partnership. As we navigate this year together, my door is always open to your ideas, your concerns, and your successes. Whether you are a returning family or joining the Pope community for the first time, please know that you are a vital part of our success. I am eager to meet each of you at our upcoming school events. Let's make this year one of growth, discovery, and shared pride.

Thank you for entrusting us with your education and for your continued support of Pope School. Here's to an outstanding 2026-2027!

Warm regards,

R. Stephen Beebe

Principal, Pope School

FOREWORD

The administrative procedures contained within this handbook are designed to help and guide you through the year.

Please retain this handbook and place all future bulletins in it for your reference.

EDUCATIONAL PHILOSOPHY/MISSION STATEMENT

The mission of the South Panola School District and Pope School is to provide opportunities for educational excellence for all students.

We believe that the purpose of education is to provide all students with the basic skills, habits, values and attitudes necessary to exercise their civic responsibilities more effectively in our democratic society, to increase their economic potential in industry, the professions, or other vocational endeavors, and to improve the quality of life available to them.

We strive to provide a variety of teaching methods, so each child might develop a healthy self-concept and be prepared to meet the challenges that lie ahead.

To accomplish the above, the district sets forth these objectives:

- To provide a safe, orderly environment conducive to teaching and learning.
- To recognize and serve individual intellectual differences.
- To guide each child in developing skills and attitudes conducive to self-fulfillment and social responsibility.
- To cultivate moral and ethical values by teaching courtesy, cooperation, fairness, honesty and good citizenship.
- To promote the democratic way of life and its responsibilities in the home, school and community.
- To emphasize the importance of physical development through personal health, hygiene and self-discipline.

PROCEDURES AND RESPONSIBILITIES

STUDENT RESPONSIBILITIES

- Participate fully in the learning process. Students must be at school and class on time with needed supplies. Students must pay attention to instruction, complete assignments to the best of their abilities, and ask for help when needed.
- Avoid behaviors that impair the educational achievement of themselves or others. Students must follow school rules, maintain school property, and cooperate with others.
- Show respect for the knowledge and authority of teachers, administrators, and other school employees. Students must obey reasonable directions, use acceptable and courteous language and behavior, and follow school rules and procedures.
- Recognize and respect the rights of other students. All students should show concern for and encourage the educational achievements of others.

STUDENT EXPECTATIONS

1. Students are expected to obey the rules of the classroom as set forth by the teacher.
2. Students are expected to be respectful of adults and to those who are in authority.
3. Students are expected to assume an individual responsibility for their behavior, conduct, and classroom performance.
4. Students are expected to be respectful of other students and are not permitted to fight, engage in scuffles, or horseplay while on campus.
5. Students are expected to refrain from making loud and excessive noise whenever on campus.
6. Students (for safety reasons) are expected to walk at all times while moving throughout the building.
7. Students may not sell or trade any items at school, school sponsored events, or on the bus.

CLASSROOM, BUILDING, AND CAMPUS CONDUCT

Successful students will come to class prepared, actively participate, and exhibit good behavior. It is important to show courtesy and respect to classmates and adults at all times. Everyone at SPSD is expected to show pride in themselves, fellow students, teachers and facilities. Appropriate conduct will be enforced at school and at all school sponsored events. It is the student's

responsibility to know and follow school rules. Disrupting the educational process, extreme noise, running, pushing, shoving, fighting, harassing others by inappropriate language or actions are not acceptable behaviors. Those who cannot abide by the rules should expect to receive appropriate disciplinary action. It is the school's responsibility to provide a safe environment with a sound curriculum. The teachers and/or school administrators determine consequences of inappropriate behaviors. Reporting a problem to an adult is essential. Teachers, guidance counselors, assistant principals or the principal can help you if you have a problem with someone.

DRESS CODE (4-8)

The school believes that proper etiquette, social customs, and good grooming are a definite part of the educational process. It is expected that students wear to school or school functions neat, clean, appropriate clothing that meets the standards of this educational environment. It is not the intention of these guidelines to usurp the authority of parents for determining what is appropriate dress and grooming for their children in accordance with their age and grade. The school will work with parents in encouraging our students to assume this responsibility and to execute it sensibly as they mature. The purpose of the home and school working together should be to help students accept and cooperate with the guidelines.

In view of this statement, the following rules will be in effect in all secondary schools:

- Clothing that exposes undergarments is not permitted (males & females)
- Students are not to wear hats of any kind within the school building unless approved by the school administration. "Hats" should be interpreted literally as "hats" or head-coverings and will include bandanas, caps, sweatbands, visors, and similar hat-like apparel.
- Rollers, combs, or picks cannot be worn in the hair.
- Students are not to wear t-shirts, face coverings, garments or other items with pictures, logos, phrases, decals, patches, emblems, or words printed on them that are obscene or disruptive as determined by school administration. This will include, but not be limited to: nude/semi-nude figures; figures in sexually suggestive postures; logos of alcoholic beverages, tobacco products, or prohibited substances; satanic/occult references; or gang identification.
- No item can be worn or displayed that represents a fraternity, sorority, secret or illegal organization. MS code 37-11-39.
- Sagging pants are not allowed. Garments will be secured at the waist. Waist is defined as at or above the hip bone. Undergarments, including gym shorts, should not be visible at any time.
- Jeans/pants that allow skin to be visible above the knee are not allowed.
- Tape is NOT permitted to cover holes in pants.
- Shirt tails that extend below the bottom of the zipper must be tucked in.
- Students shall wear shoes for foot protection and for hygienic reasons while on school grounds or school transportation. House shoes are not allowed.

- Jewelry shall be worn in a way that does not present a safety or health hazard or that depicts weapons of violence, drugs, or alcohol may not be worn. Jewelry in pierced body parts is not allowed EXCEPT in the ears.
- Earrings should only be worn in the ear.
- Wallet chains or dog collars shall not be permitted.
- Pants should not have writing across the seat area of pants.
- In grades 6-12, no sweatpants or athletic gear. This includes but is not limited to team warm-ups, shorts, and uniforms.
- Hoods or "hoodies" on shirts and sweatshirts must not be worn on the head during school hours and must be worn with the hood down resting on the back in the standard position on the school campus at all times.
- Clothing should NOT be transparent, excessively tight, or indecent as deemed by the administration.
- Dresses/skirts and shorts must be within three inches above the knee cap.
- Spandex pants may be worn with a shirt or skirt that comes within three inches above the knee cap.
- Strapless tops, tank tops with spaghetti straps, tops with excessively low necklines, and halters are not allowed. Midriffs shall not be exposed. Students shall not wear sleeveless garments which do not completely cover undergarments.
- Leggings/jeggings, palazzo pants and tights may be only worn with a shirt or blouse that comes to the mid-thigh area.

Regulations in reference to grooming and dress for special activities such as athletics, fine arts, and drill team will be governed by the immediate person in charge of these activities under the direction of the principal.

Appropriateness and moderation in all things, concern for the health and safety of the students, and the avoidance of distractions to the educational process are the guiding principles of the student dress code. Styles and fads are constantly changing and cannot possibly be covered by specific rules and regulations. The task of evaluating what is proper in the way of dress and grooming is highly controversial, and opinions among people vary. The individual schools will assume responsibility for ruling on specific items of clothing and general appearance for reasons of safety and health, or for the order, well-being, and general welfare of students. **Styles and fads are forever changing, therefore the principal or his/her designee shall reserve the right to alter this code at any time throughout the year.** The Board authorizes school administrators to employ appropriate disciplinary procedures to carry out and enforce this policy.

These are minimum standards that will be enforced at each school. Schools have the right to set higher standards based on administrative procedures. Certain events require special dress. The administration/teachers may set other dress standards as the need arises and students who do not follow this dress code will be subject to discipline.

SCHEDULE

The school day for students begins at 7:50 a.m. and ends at 3:10 p.m.

Students should arrive no earlier than 7:15 a.m. School buildings will not be open before 7:15 a.m., thus proper supervision will not be available. Students will not be permitted to loiter near buildings, cars or streets after arriving on campus before or after school.

Walkers will be dismissed at 3:03 p.m. each day.

Students who ride buses will be dismissed at:
3:05: K-2
3:07: 3-5
3:10: 6-8

STUDENT DROP-OFF/PICK UP

In order to reduce distractions to our students, we ask parents or other persons dropping off or picking up students please do so outside the buildings and not proceed into the hallways or classrooms.

Please remain in your car if you are waiting in the traffic line. It is also very important that you AVOID picking up your children before the dismissal bell. Often their homework assignment is given at the end of the day and by having to leave early they miss this crucial information. Remember, student checkouts are not allowed after 2:45 unless there is an emergency. Students will need to go to the car rider line. The office will instruct him/her to do so. If the student is already on the bus, a student will not be taken off.

There will be NO PARKING IN FRONT OF THE SCHOOL BETWEEN 7:15 a.m. and 2:45 p.m. to allow for emergency vehicles.

Dropping off students on the street or in designated no parking/standing zones is NOT permitted. Students may NOT be dropped off at school earlier than 7:15 a.m. or dropped off by the office before 7:50. Students may not be picked up by the office after dismissal has started except for students who walk to and from school.

TRAFFIC PATTERN FOR STUDENT PICK UP/DROP-OFF

- Parents may not, under any circumstances, park and get out of their vehicle to wait for their children at dismissal. An adult staff member will direct your child to your vehicle during dismissal. **Please refrain from using cellular devices in the car rider line in order to provide a safe environment during dismissal.**
- Students may be given a car rider sign to place in your window or a walker card to present when picking up your child.
- Please observe safe speeds while on campus (5 mph).
- Pull up behind the last car in line.
- Stay in one lane. NEVER CROSS OVER LANES OR GET OUT OF LINE. NEVER CALL STUDENTS TO YOUR CAR.

STUDENT CHECKOUT INFORMATION

A checkout card will be sent home at the beginning of the year and should be returned promptly to the school. This card will be provided for parents to designate any other person(s) who may checkout his/her child. If a person's name is listed on the emergency form, please be sure that the person has a valid telephone number and transportation to pick up your child. If the courts have given one parent custody of the child and the other biological parent has no custodial rights, a copy of the court order denying them the right to the child must be sent to school. The name of a doctor, who practices in Batesville, must be provided and permissions granted for your child to be taken to the doctor in case of an emergency.

Please do not ask to check your child out during the day or call them to the office unless there is an emergency or serious reason. Research shows that each time a class is interrupted, eight minutes of instructional time is lost. Checking your child out early is detrimental to the learning process for all of our students. PLEASE COOPERATE with us by not checking your child out early or disrupting the class during the day.

STUDENT CHECKOUT POLICY

Students **cannot** be checked out by phone. Advance checkout by parent is acceptable and may occur at the convenience of the parent/guardian

BUS TRANSPORTATION

School bus riders shall conduct themselves in a respectful manner at all times. The safety and security of our students is of utmost importance to South Panola Schools; therefore, video cameras (with audio) are utilized to ensure the safety of this environment. The bus driver is responsible for the safety of his/her passengers.

Because school bus passengers' behavior can directly affect safety, **the following regulations apply at all times when students are riding a school bus, including school activity trips:**

- Bus riders are expected to be respectful, responsible, and peaceful at all times.
- Respectful communications among and between riders shall be observed at all times. Quiet talk and subdued laughter at all times will help prevent the diversion of the driver's attention, thereby averting the possibility of a serious accident.
- Riders shall remain in a normal, seated position while the bus is in motion. Books and other belongings shall be kept out of the aisles.
- Eating and drinking are prohibited on the bus.
- Students must sit in their assigned seat if given one by the bus driver.
- Students must properly identify themselves when asked to do so.
- Put all trash in the waste containers provided on buses.
- Riders shall remain silent when the bus is approaching and crossing railroad tracks.
- Students must wait for the bus at the road or in the space designated as the pickup area.
- The student shall be at the designated loading point nearest his/her home before the school bus arrives. Students will be notified of the approximate pick-up time.

- Any student who must cross the roadway to board or depart from the bus shall pass in front of the bus (no closer than 10 feet), look in both directions, and proceed to cross the highway only upon signal from the driver.
- Students will depart from the bus at the designated point nearest his/her home.
- All students shall be received and discharged through the right front entrance door of the school bus. The EMERGENCY door will be used for EMERGENCY SITUATIONS ONLY.
- Permission to open windows must be obtained from the driver. All articles and objects shall remain within the bus until the student departs.
- Do not damage the seats or other equipment. Students who damage seats or other equipment on the school bus will be expected to pay the cost for the repairs or replacement.
- Do not leave any items on the bus. Any personal items left on the bus are not the responsibility of the district.
- Students must travel to and from school on the bus to which they are assigned. In order to ride an alternate bus, or go to an alternate location, students must have a signed note with approval from the principal or his/her designee.

AUTHORITY OF THE DRIVER

Pupils transported in a school bus shall be under the authority of and responsible directly to the driver of the bus, and the driver shall be held responsible for the orderly conduct of the pupils while on the bus or being escorted across a roadway. Continued disorderly conduct or persistent refusal to submit to the authority of the driver shall be sufficient reason for a pupil to be denied transportation. A bus driver shall not require any pupil to leave the bus between home and school or other destinations. Rules shall include, but not be limited to, specific administration procedures relating to suspension of riding privileges and shall be made available to parents, pupils, teachers, and other interested parties.

OFFICE REFERRALS (See Appendix D)

When a student's behavior dictates the need for an office referral, the administration will refer to the following procedures. Be aware that where appropriate and/or allowable per district and state policies, alternative consequences or other behavior modification methods may/and can be applied.

METAL DETECTORS AND SECURITY SCREENERS

In an effort to promote the safety of the students, teachers, administrators, and other employees of this school district, and to discourage violation of state law and school policy, metal detectors and/or security screeners, either stationary, handheld, or both, may be used at the District and at any school-sponsored events. The purpose of the metal detectors and security screeners is to conduct random, suspicion-less searches of students, though the metal detection and security screening devices may also be utilized when District personnel have a reasonable suspicion that a student is violating a District policy, school rules or regulations, or the law and the use of the metal detector or security screener may aid in the discovery of evidence of a violation. In the event of suspicion-less searches of students, all students entering District buildings shall be screened, and no single student shall be singled out and searched unless there is reasonable suspicion to do so.

CONSEQUENCES INCLUDE BUT ARE NOT LIMITED TO:

ALTERNATIVE-LEARNING SETTING (ALS)

Students may be assigned to an Alternative-Learning Setting for a period of time depending on the situation. This is a very structured and supervised program. Parents will be notified if a student is placed in ALS. All class work completed and turned in on time while a student is assigned to an alternative- learning setting will receive full credit. Lunch will be delivered to students in ALS. Students who check-out of school when assigned ALS will make up the time not served. This includes missing days. There is NO appeal of an ALS assignment (though parents/legal guardians may request a review by the school principal).

CONDITIONAL SUSPENSION/REQUIRED PARENT CONFERENCE (RPC)

When necessary, students will be suspended from school until parents come in for a conference to discuss the student's misconduct or educational needs.

SUSPENSION (OSS)

A student may be suspended from school by the Assistant Principal or Principal for up to ten (10) consecutive days for violation of the Code of Student Conduct. While on out of school suspension a student may receive schoolwork.

EXPULSION
Upon the recommendation of the school administration and the superintendent, a student may be expelled by resolution of the Board for any serious breach of conduct including, but not limited to weapons, drugs, willful disobedience, open defiance of authority, violence against persons or property, or any other act which substantially disrupts the orderly conduct of the school.

CORPORAL PUNISHMENT (CP)

- Prior to consideration of returning the student to his/her home school, the alternative school administrative staff, along with the home school's administrative staff, shall evaluate the student's behavior, attendance, and academic progress.

- All assigned work must be satisfactorily completed and returned to the student's home school. If the evaluation is not satisfactory, the student shall remain in alternative school until more favorable progress is made.

SELF-REPORTING POLICY
A student who voluntarily reports to a teacher, principal, school bus driver, or other school employees that he/she has unintentionally and without knowledge brought to school or any school-related function a controlled substance, a knife, or other object or item prohibited by state, federal or local law or school district policy may receive special consideration as a mitigating circumstance regarding any penalties imposed by school district policy for possession of such substance, object or item. Nothing contained in this policy is a guarantee that a student may receive any less discipline or punishment regarding infractions of district policy or state, federal or local law. Further, nothing contained in this policy conflicts with or impacts the District's reporting requirements for violations of any laws. The phrase "voluntarily reports" means that the student, immediately upon discovery of the prohibited substance, object or item, reports the possession to a school employee.

BULLYING

SOUTH PANOLA SCHOOL DISTRICT DEFINITION OF BULLYING:

The South Panola School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student, school employee, or volunteer in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying

or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property, at any school-sponsored function, or on a school bus, or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole.

The South Panola School District will make every reasonable effort to ensure that no student, school employee or volunteer is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act of reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subject to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The School Board directs the superintendent or designee to design and implement procedures for reporting, investigating, and addressing bullying and harassing behaviors. The procedures should be appropriately placed in District personnel policy handbooks, school handbooks that include discipline policies and procedures, and any other policy or procedure that deals with student or employee behavior. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassment. Furthermore, the South Panola School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior. Ref: SB 2015; Miss. Code Ann. § 37-7-301(e)

Online Bullying Report Form

The safety of our students, staff and administrators is the top priority of the South Panola School District.

In an effort to enhance our safety measures throughout the district, an online Bullying and Anonymous Safety Report Form has been created to report any form has been created to report any form of bullying or harassing behavior, or safety concern.

The online form, which may be found by visiting the "Information" section on the SPSD website, will be sent to administrators of the building/grounds where the event took place or is taking place.

PROCEDURES FOR COMPLAINTS OF BULLYING OR HARASSING BEHAVIOR

The report shall be made promptly but no later than five (5) calendar days after the alleged act or acts occurred. The school official shall complete a "Bullying/Harassing Behavior" complaint form which shall

The report shall be given promptly to the principal or superintendent who shall institute an immediate investigation. Complaints against the principal shall be made to the superintendent and complaints against the superintendent shall be made to the Board chairman.

The complaint shall be investigated promptly. Parents will be notified of the nature of any complaint involving their student. The District official will arrange such a meeting as may be necessary with all concerned parties within five (5) working days after initial receipt of the complaint by the District. The parties will have an opportunity to submit evidence and a list of witnesses. All findings related to the complaint will be reduced to writing. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

If the victim is not satisfied with the decision of the District official, he/she may submit a written appeal to the superintendent. Such an appeal shall be filed within ten (10) working days after receipt of the results of the initial decision. The superintendent will arrange such meetings with the victim and other affected parties as deemed necessary to discuss the victim's appeal within ten (10) working days.

If the parent is not satisfied, then he/she should take his concern to the next level. If the complaint cannot be solved, then the parent should put it in writing to the Superintendent.

APPEALS

Suspensions of Eleven (11) School Days or More, Expulsion and Alternative School Placement

1. The Parents/Guardians of the disciplined student are informed about the appeals process by an administrator from the disciplining school.
2. A hearing before the Discipline Hearing Committee (DHC) shall be scheduled no later than the **tenth** school day following the date of the written notice of the principal/administrator's discipline recommendation. A hearing is held in which the DHC makes a decision to concur with the recommendation for suspension, expulsion or non-admission or not concur with the recommendations for suspension, expulsion or non-admission by: (i) deciding against

suspension, expulsion or non-admission; (ii) increasing or decreasing the duration of the suspension: (iii) recommending expulsion; or (iv) recommending admission with or without conditions.

3. Parents/ legal guardians who disagree with the DHC's decision have the right to ask for a review of that decision by the Superintendent within four (4) school days of the date of the written decision of the DHC. Requests for review can be hand-delivered or emailed to the Secretary of the Superintendent. If the Parent/legal guardian does not submit a written request for review to the Superintendent within the deadline period, the decision of the DHC shall be final.

4. Parents/ legal guardians who disagree with the Superintendent's opinion have the right to ask for an appeal before the Board of Trustees. A written notice must be filed within five (5) school days of the date of the Superintendent's decision with the Superintendent to request a Board Hearing.

   The decision of the Board will be given to parents/legal guardians within **72** hours following the appeal before the Board of Trustees by the Superintendent. If the parent/legal guardian does not submit a written request for review to the Superintendent within the deadline period, the decision of the Superintendent shall be final.

5. At any point in the appeal process described above, the parent/legal guardian of the disciplined student may waive any due process or appeal by signing a written waiver of such rights. There is no right to appeal a suspension of ten (10) school days or less past the initial due process informal hearing with the principal set forth in District Policy JCAA.

ATTENDANCE

While we know that there are times that our students are absent, every opportunity must be taken to come to school every day. If our students are not in our classrooms, they cannot benefit and learn from our teachers. Regular and punctual attendance of all classes is required in compliance with Mississippi law and district policy.

ATTENDANCE LAW

The School Attendance Law requires the school report to the School Attendance Officer all unexcused absences. The Compulsory Attendance Officer will contact the parent by telephone, letter or home visit after five (5) unexcused absences to encourage attendance and to help with the problem of nonattendance.

Parents found in non-compliance with the law, which allows for no more than twelve (12) unexcused absences for the year, are subject to having a petition filed with the appropriate court for child educational neglect and subject to a fine of up to $1,000 or up to one year in jail or both, and/or the student may fail for the year. A child over ten (10) years of age can be declared a delinquent if he/she refuses to attend school. If there are any questions, please contact the Compulsory Attendance Officer at 662-563-6025.

EXCUSED AND UNEXCUSED ABSENCES

South Panola Schools recognizes excused absences in the following categories:

1. Doctor's excuse
2. Court proceedings
3. Death of family member (must have published obituary)
4. The discretion of the principal
5. Head lice will be excused for one (1) day with a maximum of three (3) days per school year.
6. Parent note (No more than seven (7) absences TOTAL may be excused by parent notes per school year.)

Absences not included in the excuses listed above and absences while on bus suspension will be unexcused.

A written excuse must be turned in to the office within three (3) days of the absence. Absences are recorded on the report card and on permanent records. Students who skip school or skip classes are subject to disciplinary action.

All excuses must include the following:

1. Date the excuse was written
2. The first and last name of the person writing the excuse along with their address and phone number
3. First and last name of student
4. Date on which the student is requesting to be excused
5. The reason why the student was absent

15-DAY DROP RULE

Any student absent for 15 consecutive days will be dropped from the school register unless the legal guardian advises the principal that the student has a legitimate reason for the extended absence. The principal will determine the course of action to be followed concerning a student's progress and placement following an extended absencence.

TARDIES AND CHECKOUTS

When students arrive tardy to school **(7:51 A.M. or later)**, they must sign in at the main office with a parent (driving-age students who drive to school excluded).

Once students arrive on school grounds, they are under school supervision. No student will leave school grounds without a parent/guardian checking them out in the main office. When parents pick up students at any time during the school day, they must sign the child out in the main office, and proper identification may be required. *Signing out a student early will count as a "tardy."* When possible, medical and dental appointments should be made outside of school hours. Only individuals on the student's check out list are allowed to check out the student. Photo identification is required. Keys are to be left with the office staff.

A Checkout card will be sent home at the beginning of the year and should be returned promptly to the school. This card will be provided for parents to designate any other person(s) who may checkout his/her child. If a person's name is listed on the emergency form, please be sure that the person has a valid telephone number and transportation to pick up your child. If the courts have given one parent custody of the child and the other biological parent has no custodial rights, a copy of the court order denying them the right to the child must be sent to school.

Please do not ask to check your child out during the day or call them to the office unless there is an emergency or serious reason. Research shows **that each time a class is interrupted, eight minutes of instructional time is lost.** Checking your child out early is detrimental to the learning process for all of our students. **PLEASE COOPERATE** with us by not checking your child out early or disrupting the class during the day. Students can't be checked out after 2:45 unless it is an emergency situation.

Students should be in the classroom in an orderly fashion when the bell rings. Tardies will be excused for the same reasons as absences, with the same required documentation. All other reasons (i.e. car problems, lost keys, overslept, ran out of gas, etc.) will be unexcused. An unexcused check-in will result in a tardy.

Please reference Section 11 of the Student Conduct Code for more information about school attendance. Excessive tardiness or early pick-ups may result in disciplinary action being taken.

CONSEQUENCES

Attendance is part of the criteria for promotion; a student with excessive absences may be in jeopardy of being retained for nonattendance.

- A child is considered *"excessively absent"* if the student has five (5) days or more unexcused absences.
- A child is considered *"habitually truant"* if the student has twelve (12) or more unexcused absences in a 90-day calendar period and will be reported to the attendance officer.

Tardies are cumulative, but will be reset to zero at the end of each 9 weeks. Tardy consequences may include, but are not limited to: verbal warning, parent conference, corporal punishment or ALS.

SCHOOL MAKE-UP WORK POLICY

- Students will have two (2) days upon returning to school to secure any assignments that were missed due to an excused absence.
- In the instance of an excused absence, students will have the number of days that equals the number of days absent to make up any missed assignments. (Up to fifteen [15] days)
- Assignments missed as a result of an unexcused absence are to be made up upon the students return to school

SAFETY

FIRE DRILLS/ OTHER SAFETY DRILLS

Fire drill instructions will be posted in each room for directions to fire exit routes. When the fire alarm is activated, everyone must leave the building. Follow the teachers' instructions immediately. Without talking, walk in single file and do not run.

All persons will remain outside, a safe distance from the building, until the bell sounds for returning to the building. There are particular instructions for other drills that occur during the school year. Those drills are tornado, earthquake, and lock-down procedures. Students must follow instructions during drills.

DELAYED SCHOOL OPENING PROCEDURES

If it is necessary to delay the opening of schools, SPSD will send out information via messaging alert systems and post to the website and social media pages. Please check those outlets accordingly for information.

1-Hour Delay

Buses run their normal routes, beginning one hour later than usual. Parents should anticipate that their children will board the bus an hour later than they normally do. (For example: If the bus normally comes at 6:40, it will arrive around 7:40, and if school normally begins at 7:51, it will begin at 8:51.) This may vary given the weather conditions and logistical issues.

2-Hour Delay

Buses run their normal routes, beginning two hours later than usual. Parents should anticipate that their children will board the bus 2 hours later than they normally do. (For example: If the bus normally comes at 6:40, it will arrive around 8:40, and if school normally begins at 7:51, it will begin at 9:51.) This may vary given the weather conditions and logistical issues.

ACADEMICS AND GRADING

GRADING POLICY

Class participation, independent work, homework, and objective tests will be used to compute the nine weeks grade. Class participation is dependent on regular classroom attendance.

Comprehensive exams will be given at the end of each semester. The semester average is computed by multiplying both nine weeks grades by three and adding the semester exam; that sum will then be divided by 7 to get the semester grade. The yearly average is computed by adding the two semester averages and dividing by two.

HONOR/OFFICE ELIGIBILITY, AND SCHOOL REPRESENTATION

Any student who shall run for or currently hold an office within the school or represent the school in any manner, and/or shall be otherwise eligible to receive academic or non-academic honors shall meet the following criteria:

1. Maintain a minimum GPA of 75 or above overall average (offices elected at the beginning of the school year shall use the previous school year's average; for offices elected at the end of the year, the average for that school year shall be used.) Please note that some clubs and organizations may require an overall higher GPA.

2. Shall not have been expelled, placed in alternative school or discipline record should not have repetitive level 3 offenses during the current and previous two (2) semesters.

REPORT CARDS/PROGRESS REPORTS

Progress Reports will be sent home midway through each grading period. These reports will be prepared on each student in order to assess academic progress. Parents should carefully review these reports so that they may assist their children. Report cards will be sent home after the end of the nine weeks period.

Students are required to have the report signed by their parent/guardian and returned to their teacher. Failure to return the progress report signed within three (3) days may result in the student being suspended until a parent contacts an assistant principal.

Report cards will be issued each nine weeks and given out at a scheduled open house or sent home with the students. If a student has failed any course during the first, second, or third nine weeks, it may be necessary for the report card to be picked up by the parent/guardian from a counselor. The final report card may be picked up at the end of school.

GRADING SCALE

South Panola School District Grading Scale:
A: 90-100
B: 80-89
C: 70-79
D: 65-69
F: Below 65

PROMOTION POLICY

The following requirements must be met before a student is to be promoted to the next grade:

4th – 5th: An average of 65 must be attained in all major subject areas.
1. An average of 65 must be attained in English and Math
2. The student may fail to meet a 65 average in only one (1) core subject

8th: An average of 65 must be attained in English, Math, and Science in order to be promoted.

ACHIEVEMENTS

Students earning all A's during a grading period will be on the Superintendent's List. Students earning a B or above in each subject will be on the Principal's List. **An unsatisfactory (U) in conduct will disqualify a student for the Superintendent's List or Principal's List. At the end of the year an award will be given to the student in each classroom with the highest average in reading, language arts, math and spelling. Additional awards will be presented in the classrooms.**

CHANGE OF SCHEDULE

After the designated registering cycles for each grade, there will be no schedule changes made without the approval of the principal or his designee.

ACADEMIC DISHONESTY

Academic Dishonesty is defined as anyone giving or receiving non-permitted help on an assignment. Academic dishonesty will not be tolerated in South Panola School District and may result in a zero for the assignment and/or disciplinary action by the teacher and/or administration.

SCHOOL RESOURCES

GUIDANCE/COUNSELING SERVICES

Through a comprehensive developmental school counseling program, the school counselor uses a team approach with the school staff, parents, students, and community to help all children achieve success within their academic, personal/social, and career development. Referrals to the school counselor can be made by students, parents, and staff members.

STUDENT HEALTH SERVICES AND SCHOOL NURSES

South Panola School District employs school nurses to strengthen and facilitate the educational process by improving and protecting the health status of students. School nurses are in place to help meet any healthcare needs that may arise with students. A school nurse is assigned to every campus.

At the beginning of each school year nurses collect student health information to plan for the needs during the school day. Parents are required to complete a health form at the beginning of the school year that provides a health history, emergency contact information, and a signed consent form for the school nurse to carry out first aid and administer care as listed in the South Panola School District Standing Nurse Orders. This health information will be kept in the health office. No student will be given medication for a headache or other minor ailments without a signed consent form from a parent/guardian.

MEDICATIONS

Parents are expected to give medications at home on a schedule other than during the school hours if at all possible. No medication may be taken by a student at school except as herein provided. This procedure will provide safety, consistency, and confidentiality when it is necessary that a medication be taken during school hours.

GENERAL GUIDELINES FOR ALL MEDICATIONS:

1. **ABSOLUTELY NO MEDICATION SHALL BE TRANSPORTED BY A CHILD TO OR FROM SCHOOL. IT MUST BE TRANSPORTED BY A PARENT/GUARDIAN ONLY AND REGISTERED WITH THE SCHOOL NURSE.**

2. A Consent for Medication at School Form must be completed before medication can be given at school. This form can be obtained in the school health office.

    a. The health care provider's order must contain the name of the student, name of medication with dosage and route, frequency and the time the medication is to be given, date of the order, and any known drug allergies or reactions.

    b. The health care provider's signed order is required at the beginning of each school year before any medication can be given at school. If the medication order is changed during the school year (example: dosage change), an updated health care provider's order is necessary.

3. Certain rescue medications (asthma/allergy/diabetic/seizure) may be carried by a student only after proper documentation has been completed by the student's provider and returned to the school nurse.

4. The parent/guardian must notify the school nurse immediately if the medication is no longer required. A parent/guardian should pick up the discontinued medication.

5. All medications must be in the original container or one properly labeled by the pharmacy. Many pharmacists will provide an extra-labeled bottle. Medications should be clearly labeled with current date, student and medication name, dosage, route, frequency, and time of administration.

6. **South Panola School District does not allow the use of medical cannabis while on district property.**

7. **Possession and/or administration of any drugs or other controlled substance(s) on school grounds by students or others may constitute violation of the law and/or student conduct code.**

SELF-ADMINISTRATION OF ASTHMA/ANAPHYLAXIS MEDICATIONS AT SCHOOL

A student with asthma and/or anaphylaxis is allowed to possess and self-administer prescription asthma and/or anaphylaxis medication while on school property, on school transportation, or at a school-related event or activity if:

1. The parent/guardian provides to the school written authorization, signed by the parent, for the student to self-administer prescription asthma and/or anaphylaxis mediation while at school.
2. A Consent for Medication at School Form must be completed by the physician and the parent as described above. The health care provider must indicate and sign on this form that it is necessary for the student to carry this asthma and/or anaphylaxis medication at school.
3. Every student who has been diagnosed with asthma must have an asthma action plan on file in the school health office.This action plan comes from the student's doctor.
4. If a student uses his/her medication in a manner other than prescribed, he/she may be subject to disciplinary action under the school codes, rules or policies. The disciplinary action shall not limit orrestrict the student's immediate access to the medication.

ILLNESS AND FIRST AID DURING THE SCHOOL DAY

In the case of illness during the school day, a student should explain to the teacher that he/she is ill. If necessary, the teacher will refer the student to the health office for evaluation. A parent/guardian will be notified for check out for any student with a temperature of 100.4 or greater. **Treatment of minor ailments and injuries may be provided if the parent/guardian has completed the annual health form and signed the consent form for the school nurse to carry out first aid and administer care as listed in the South Panola School District Standing Nurse Orders.** These orders have been approved by a local physician to be followed by the school nurses.

The residential parent is considered the primary parent contact by the school.

PARENT/TEACHER CONFERENCES

Parents are required to make appointments by writing the teacher a note or telephoning the school office for conferences with teachers, counselors, or the principal. Unscheduled conferences are an interruption and cause the loss of valuable instructional time. Conferences may be scheduled either before/after school or during the teacher's planning time. When a conference is scheduled please make every effort to meet on the scheduled day and time. Teachers may not conference with parents/guardians when other students are present.

VISITORS

ALL VISITORS MUST SIGN-IN AT THE OFFICE AND WEAR A VISITOR'S BADGE. SPSD values the importance of the learning process. Any unplanned interruption of the instructional day will not be permitted. Parents wishing to discuss a problem with a teacher should contact the school to schedule an appointment.

BOOSTER CLUB

Becoming involved in our active Booster Club provides an opportunity to contribute to your child's school. Throughout the year many educational, fun-filled, and money-raising events take place. We look forward to working with you this year!

STUDENT INFORMATION

It is essential that the school always has current information regarding students. If you change your address, home telephone number, work number, or any other information, please inform the school office personnel at once or send a written notification. This is especially important in case of student emergencies.

VOLUNTEERS

Plan to chaperone a field trip or to become a school volunteer? There are many ways that you can help our school and students. Watch for information coming home. Parents and other interested persons may not volunteer until they have completed all requirements from the school in which they wish to volunteer.

MISCELLANEOUS INFORMATION

CHROMEBOOKS AND INTERNET

SPSD provides access to Chromebooks to all students for educational purposes. Students and teachers may use these Chromebooks to access the internet to explore, research, and complete some assignments. Students are supervised while on the internet, and we make every effort to make sure no student is exposed to inappropriate materials. Please sign the **Acceptable Computer, Network Resources and Internet Use Policy found in Appendix B of the handbook to allow students to use Chromebooks and the internet.**

PHOTO CONSENT

Throughout the school year, activities with pictures are published in the local newspaper and the district's websites. Videos are sometimes made of activities and events. If you do not wish for your child to be photographed, please sign and return the photo consent form in Appendix F of the handbook.

SCHOOL INSURANCE

Parents are encouraged to purchase the school accident insurance coverage for their children. This policy has a rate for school-time and 24-hour coverage.

SCHOOL PROPERTY

No unauthorized use of school property, including athletic facilities, after school hours such as skateboarding, rollerblading, bike riding, using playground equipment, etc. is allowed.

CHECKS

Checks should be made payable to Pope School. Individual checks must be made for each child in school. Checks will no longer be accepted after a check has been returned for insufficient funds. Future payments must then be made in cash.

LOST OR STOLEN ITEMS

The school is not responsible for lost or stolen items. Aside from money needed for lunches or school supplies, students should not bring cash to school. Students may not sell or trade any items at school or on the bus.

SPECIAL EVENTS/EDUCATIONAL OPPORTUNITIES (FIELD TRIPS)

During the school year, special events/educational opportunities may be offered for student participation on a first come, first serve basis. These events may be during the school day or during non-school hours, on or off campus. Examples may include, but not be limited to, all extracurricular activities (i.e. clubs), educational tours/visitations, speakers, assembly programs, field trips, etc. Please make sure that you submit all of your child's paperwork and any fees in a timely manner to ensure his/her attendance. Please contact your child's teacher if there are any extenuating circumstances. **It is at the discretion of the administration and classroom teacher to revoke the privilege of attending field trips.**

RECORDS AND TRANSFERS

Your child's records are available for your review at any time. Parents may wish to set up an appointment to review the files so adequate time can be given to explain test data or other pertinent information. When transferring to another school, the child's records will be sent as soon as the release form is signed. Early notification of plans to transfer is always appreciated.

PHYSICAL EDUCATION

Physical education is a required program in Mississippi. Students may be excused from participating in P.E. with a signed note from the parent/guardian; however, missing extended periods shall require a note from a doctor. Students shall wear clothing and footwear appropriate to the physical education activities. Shoes should be closed with rubber soles and should allow children to perform to the best of their physical ability. This policy will be enforced due to safety concerns.

PLEDGE OF ALLEGIANCE

Mississippi statute requires that the Pledge of Allegiance to the Flag be recited at the beginning of each day in every public elementary and secondary school in the state. Exemption from participation may be granted upon written request of the parent or guardian.

TEXTBOOKS

The State of Mississippi provides textbooks that are issued by the teachers. **Students must take care of all textbooks issued to them. They are the responsibility of the student. Textbooks are very expensive to replace or repair.** A fee for excessive wear or damage to textbooks will be charged to students who fail to take proper care of the books. A fee will also be charged for lost textbooks and lost library books. All books must be returned when students are withdrawing from school. Students who find lost textbooks should return them to the office.

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the South Panola School District ("School") receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the School discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA and 34 C.F.R. § 99.31 authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official includes a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also includes a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist, who has been determined by the School to have legitimate educational interests; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to access or review an education record in order to fulfill his or her professional responsibility or to perform the services or tasks for which the School has retained it.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if

the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office

400 Maryland Avenue, SW

Providing Opportunities for Educational Excellence

Dear Parent/Guardian:

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that South Panola School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, South Panola School District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the South Panola School District to include information from your child's education records in certain school publications.

Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent. If you do not want the South Panola School District to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the District in writing within fifteen (15) days of receipt of this notice.

South Panola School District has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Dates of attendance

Sincerely,

Dr. Del Phillips
Superintendent

APPENDIX G: ENROLLMENT REQUIREMENTS

Terminology:
Parent – Biological or adoptive parent
Guardian – Legal guardian as documented through
Court Proceeding Custodian – Appointed by a court or governmental agency

A biological or adoptive parent may enroll a child with two (2) proofs of residency for the SPSD. If a custody agreement exists from a divorce, only the custodial parent may enroll the student. In the case of parenthood with no marriage or custody agreement, and both parents are listed on the birth certificate, each has parental rights to enroll a child.

A legal guardian of a child is only recognized when a court order exists naming the guardian for the minor child. Notarized personal statements are not legal guardian documents.

A person may register a child if they have been appointed the custodian of a child by a court or governmental agency. Consideration will be given due to deployment for military service.

The overlying goal is to make sure that there is a responsible adult with authority concerning the welfare of children in the district. Questions regarding residency should be forwarded to the Department of Personnel and Pupil Services at the district office.

Residency must be filed yearly and with each child inside the South Panola School District.

RESIDENCY POLICY

A student enrolling in or entering the school district will be required to provide documentation of the residency address as a part of the registration process in accordance with Mississippi State Department of Education Policy Rule 68.1.

All enrolling students must register annually which includes providing an updated residency address.

Any new student enrolling or entering the school district or any continuing student whose residence has changed will be required to verify his or her residence address as herein provided as a part of the registration process.

Any change of address by an existing student requires updated residency documents to be submitted. **Students are not legally enrolled until the documentation is provided and verification of residence has been completed.**

Except for those students who have been legally transferred, each student must establish his or her residency in the following manner:

The parent(s) or legal guardian(s) of a student seeking to enroll must provide this school district with at least two of the items numbered (a) through (k) below as verification of their address, except that a document with a post office box as an address will not be accepted.

a. Filed Homestead Exemption Application form
b. Mortgage documents or property deed
c. Apartment or home lease

d. Driver's license
e. Voter precinct identification
f. Automobile registration
g. Affidavit and/or personal visit by a designated school district official
h. Any other documentation that will objectively and unequivocally establish that the parent or guardian resides within the school district
i. Certified copy of filed petition for guardianship if pending and final decree when granted

In addition to the residency proofs, Parents/Legal Guardians of students entering South Panola Schools for the first time will have to provide:

- Student's final report card and a transcript of courses completed if the student is in high school
- Certified Birth Certificate
- Record of Immunizations transferred to a Mississippi 121 Form (Can be obtained from the Health Department or found online at: https://msdh.ms.gov/msdhsite/_static/14,0,71,969.html)
- Students from schools or programs (including correspondence, tutorial, or home study) that are not accredited by a state or regional agency must undergo standardized achievement tests and/or teacher-made special tests to determine; (1) the grade level to which the elementary transfer student should be assigned or (2) the number and validity of the Carnegie units the secondary transfer student has earned.

Please Note: If any of the requested proofs of residency are not available for any reason, a separate affidavit must be completed, notarized, and presented to the school. The affidavit must be accompanied by separate alternative proofs deemed acceptable. Failure to complete these requirements prior to the date assigned by the administration of the district will result in your child not being issued a schedule or assigned a teacher.

THE SCHOOL WILL NOT ACCEPT INCOMPLETE PACKETS OF PROOFS

WITHDRAWING A STUDENT

Parents who decide to withdraw students from South Panola Schools must:

- Return all books and clear all debts or fines.
- Notify the guidance office of the withdrawal and the new school's name and location.
- Parents may pick up copies of medical documentation, etc., with a 24-hour prior notice.

A withdrawal from the South Panola School District must be completed before enrolling in another school district. Please note that transcripts can be held until all books and fines are returned and paid. This includes cafeteria fines.

South Panola School District (SPSD) strives to provide opportunities for all students to experience success in a safe and healthy learning environment. With this in mind, educators may provide online or digital instruction for students. For students to participate in these instructional activities a device (such as a Chromebook) is needed.

SPSD will allow a student the opportunity to **check out** a Chromebook for instructional use, with the understanding that the student and parent/guardian will assume responsibility for the device. The Chromebook (power supply and/or accessories) are property of SPSD, and any activity on the device may be monitored and/or recorded. The Chromebook and accessories will be returned to SPSD at the end of the school year, and/or in the event a student un-enrolls from SPSD and/or immediately upon the request of SPSD.

I understand that I will be held responsible and that I and/or my parent/guardian will pay for damage or loss of the Chromebook/accessories issued to me. I understand I am responsible for the device regardless of where the damage occurs.

Any damage to the device will be charged as follows:

1st Offense/Breakage: $ No Charge
2nd Offense/Breakage: $ 40

A power supply is issued with each Chromebook; if lost or stolen a replacement unit will be charged as follows: $10 for the first unit, and $20 for any additional units.

I and/or my parent/guardian will be held responsible for the full cost ($300) of a lost or stolen Chromebook unless a police report is filed and a copy of the report is provided to SPSD.
