

CMS Proposed Traffic Plan

2026-2027

Chapa Middle School Traffic Plan

***See maps for details

Car Riders

Follow the green arrows

- Cars enter and may create two lanes through the parking lot, as they round driveway towards school they begin to merge before the crosswalk (double white lines shown on map)
- Cars will merge before the crosswalk to move towards the curb (**see orange line**) for pick up/drop off. No double lane pick up/drop off
- Once they have loaded / dropped off and exited, the other lane will move forward along curb for pick up/drop off.

Walkers/Bikers

Follow the blue arrows

- Walkers/may enter the school from the front (south) and the back (north) sides of the school.
- Bikers will enter the school from the back (north) side of the school.
- Students may secure their bikes on a rack located in the top parking lot in back (north) side of school (**see blue box**)
- Walkers/bikers will use crosswalks to cross roads and driveways (**see crosswalk symbol in white**)

Bus Riders

Follow the yellow arrows

- Only buses may enter from the back (north) side of the school
- Busses will stop at the crosswalk for walkers/bikers before proceeding
- Student will load/unload from the busses along the curb (orange line)
- Student remain on sidewalk to enter/exit the back (north) side of the school

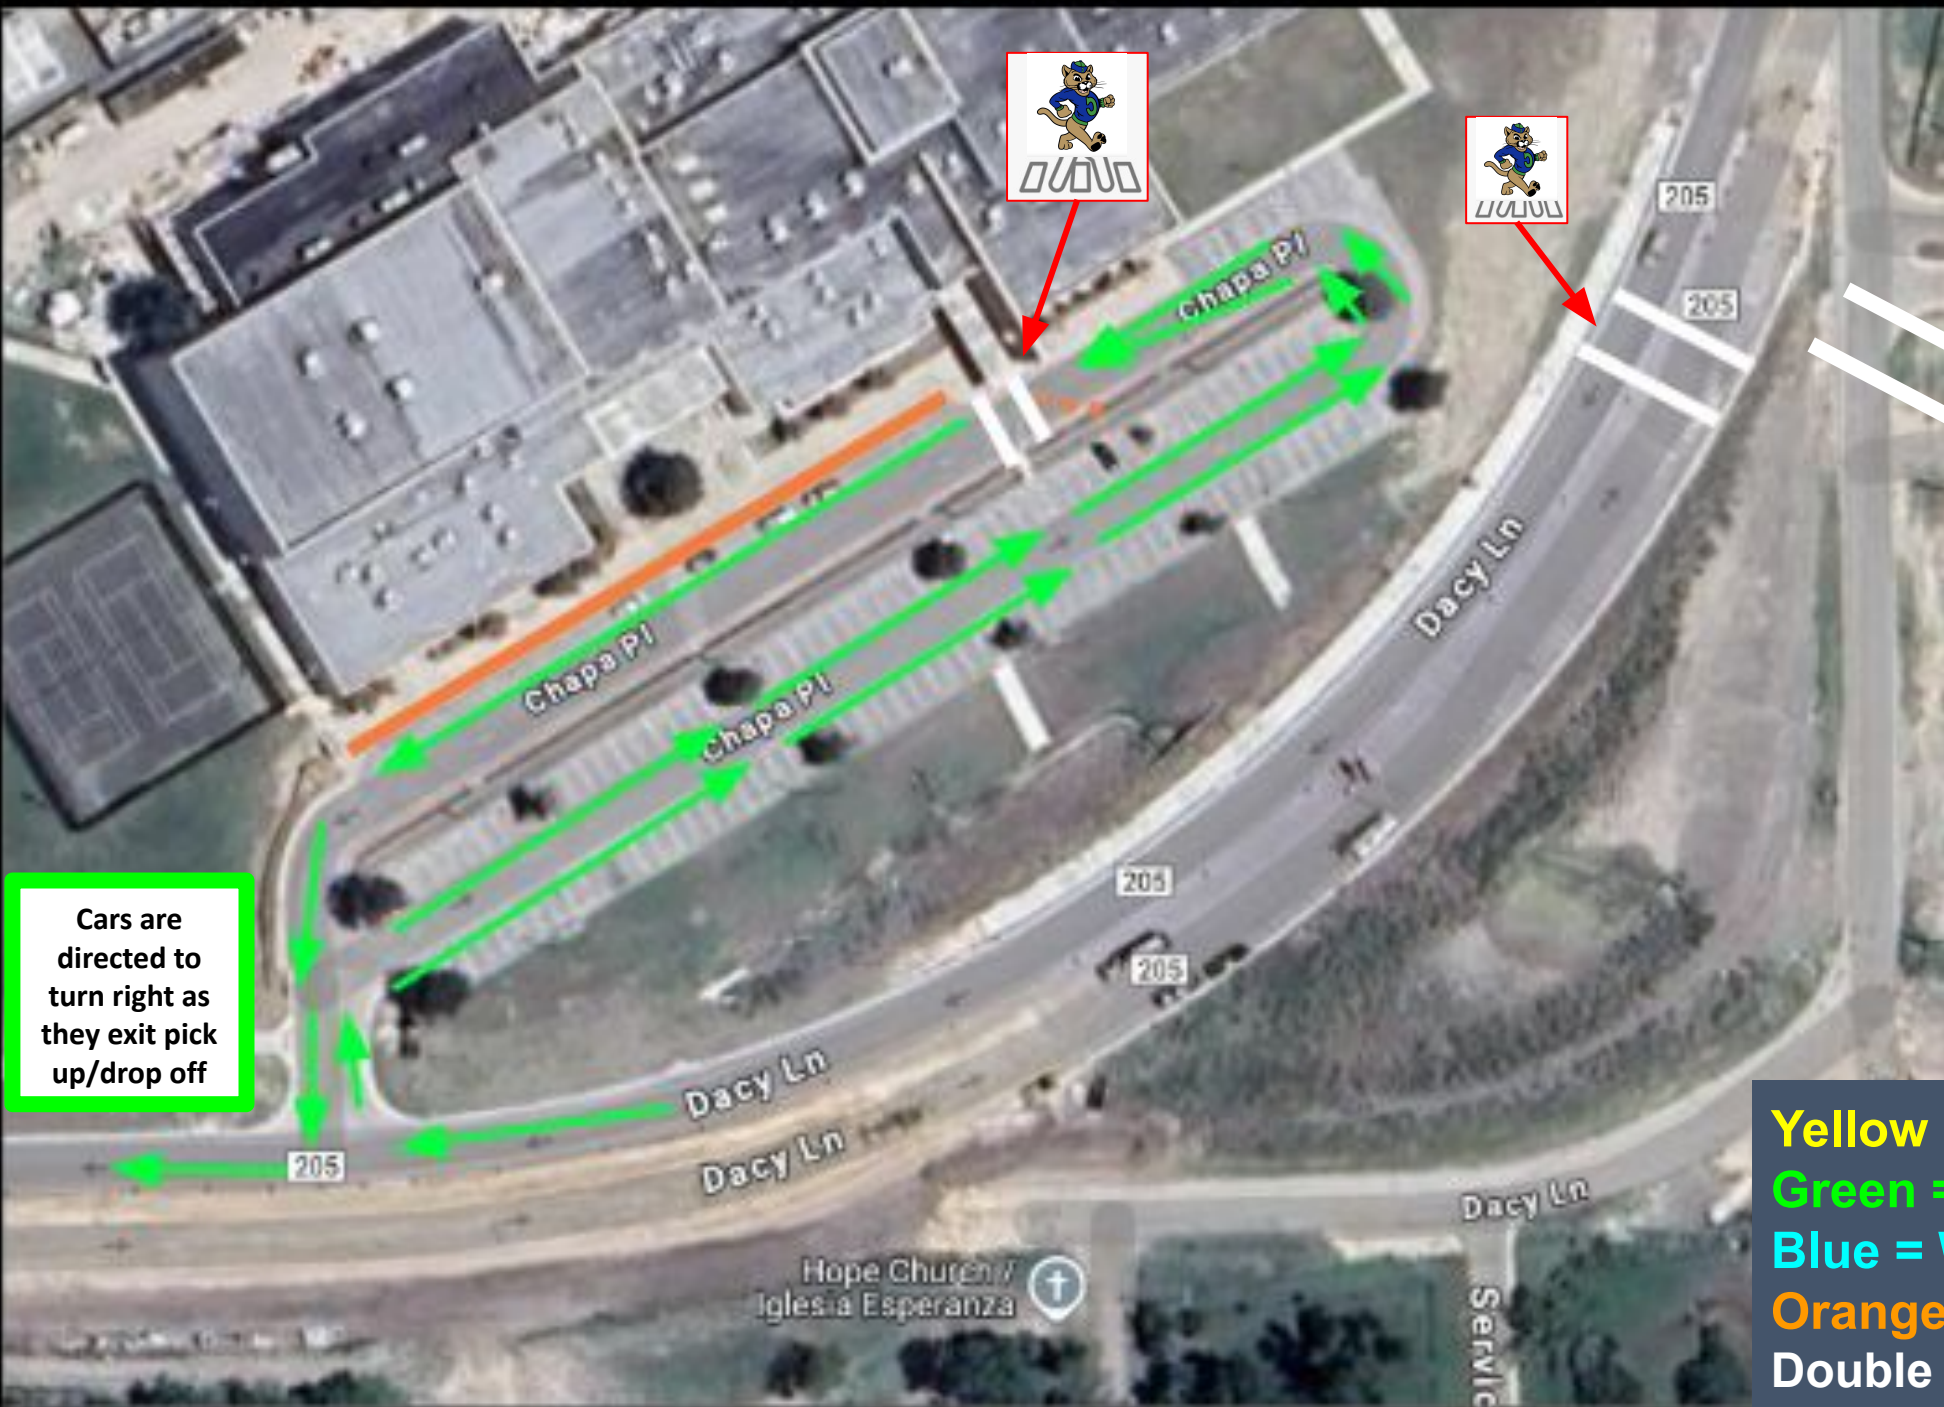

Car Riders

Follow the green arrows

- Cars enter and may create two lanes through the parking lot, as they round driveway towards school they begin to merge before the crosswalk (**double white lines shown on map**)
- Cars will merge before the crosswalk to move towards the curb (**see orange line**) for pick up/drop off. No double lane pick up/drop off
- Once they have loaded / dropped off and exited, the other lane will move forward along curb for pick up/drop off.

Cars are directed to turn right as they exit pick up/drop off
