CARPENTER HILL ELEMENTARY

We're serving up artistic fun with a delightful set of Cake Pops, where students practice proportion, shading, and texture. A powerful Monster Truck will challenge them to focus on perspective and line work, while a colorful Elephant helps reinforce form, balance, and color theory. Holiday inspiration takes center stage with our adorable Holiday Puppy and a sweet Bunny with a Present, giving students the opportunity to explore character design and expressive detail. Each lesson is structured to grow technical drawing skills while keeping creativity at the heart. Sign up today! FOR 1ST - 5TH GRADERS. All materials included.

Important: Young Rembrandts classes are highly structured requiring a great deal of focus. Please consider the learning environment when deciding whether to enroll your student.
