

Car rider drop-off and pick-up will take place in the back parking lot and traffic flow will follow the blue arrows. **26-27 Updates:** Overflow traffic at 730 is redirected to front driveway.

The front parking area is for bus traffic first, then foot traffic afterwards. **UPDATE:** This area (🚫) is coned off by staff from 7:00-7:30am and 2:50-3:15pm to allow safer foot traffic. Buses and handicapped parking are allowed in during these times.

The street along Rocking Horse (marked with ✖) shall not be used for parent drop off in the morning. This street will be coned off in the afternoon during dismissal procedures.

-Staff is posted at Rocking Horse Crosswalk at BOY and once per week after to remind cars that this street is not for drop off. This street is partially coned in the morning to signify this.

Order of dismissal

1. SPEC ED/buses
2. Regular vehicular traffic
3. Independent walkers
4. Parent Walkers

◆ reflect crossing guard locations.

Buses will enter from Fairway Drive.

Orange triangles are cone deployment locations, preventing parking along McNaughton Dr. Blocking will assist buses with turning radius and ensure bus tail swing.

26-27 UPDATES - Southern Crossing guard now post at + from 7:30am to 7:50am to ensure safe pedestrian crossing when front driveway reopens.
