PROPOSED

The expenses are identified in our 5-year Facility Master Plan. The Mill Levy funds provide for the annual expenses to maintain, repair and update all facilities across the district.

The updated Facility Master Plan will identify what projects and anticipated expenses are to be tackled with the Mill Levy funds of this election.

The community facility committee (FACT) reviews and recommends priorities within the Facility Master Plan.

Security Enhancements - Ballistic Film on Windows

Maintaining the existing rates

Maintaining the existing rate of 2 Mill and 4 Mill would generate an average of \$13 million per year

A Home valued at \$100,000 would see the same rate of \$198 per year

- \$16.67 per month
- 56¢ per day
