Refuse and recycling need to be at the curb by 6:00 am your day of collection. All refuse must either be in a city authorized blue bag or in refuse bags in your container that must not weigh more than 50 pounds. Make sure you have a current sticker on containers other than the Republic 90-gallon totes. Sort your recycling – paper and cardboard separate from container items. Bulky, large items such as furniture need to be paid for in advance - contact the Utility Office to schedule the pickup. In inclement weather please check online at the Peak of Ohio Radio or the Bellefontaine Examiner websites for possible delays. For all questions regarding your collection service please contact the City of Bellefontaine Utility Office at (937) 592-3561.

Thank you for helping keep Bellefontaine a clean and safe community!
