Michigan Department of Education

MiPHY - High School (2025-2026)

This survey is about health attitudes, perceptions, and behavior. It has been developed so you can tell us what you do and think that may affect your health. The information you give will be used to develop better health education for young people like yourself.

The answers you give will be kept private. No one will know how you respond. Answer the questions based on what you really do and think.

Completing the survey is voluntary. Whether or not you answer the questions will not affect your grade in this class. If you are not comfortable answering a question, just leave it blank.

The questions that ask about your background will be used only to describe the types of students completing this survey. The information will not be used to find out your name. No names will ever be reported.

Make sure to read every question and select your response. When you are finished, follow the instructions of the person giving you the survey.
