

26-27 Online Registration (OLR)

The Chester Area School District will be using the Infinite Campus Online Registration (OLR) for the 2026-2027 school year. We hope to eliminate as many paper forms as possible and speed up the process of registering students and updating household and contact information. Throughout the year, you can go in and make any changes if needed. **Please reach out to Mrs. Eppard (MS/HS) or Mrs. Alverson (elementary) with any questions.**
