Trustee: John Hamilton
Trustee: Jack Hathaway

August 2025

Dear Parent/Guardian:

This bulletin is intended to inform families of our toileting procedures for children who require support. Classroom staff have been trained to ensure all health and safety protocols are followed. It will be important for you to communicate any questions or concerns you have to your child's teacher. Please read the below information and select which procedure you expect to be followed to support your child's toileting needs.

Talking A Child Through the Process
The child will be verbally guided through the toileting process and encouraged to clean themselves when possible.

Direct Staff Support
If the child is not able to complete the necessary steps, a staff member (with a second adult in the room) will directly support the child and will physically clean and change the soiled garments/disposable underwear. Staff will place soiled clothing in a plastic bag and clothing will be sent home at the close of the school day.

Please provide a change of clothing for your child, it will be important for the teacher to have an extra set available if needed.

I have read the letter on toileting procedures for the Fall River Joint Unified School District. Please check one box.

- ☐ If my child has a toileting accident, I want him/her to be assisted by the staff in the manner described in this letter.
- ☐ If my child has a toileting accident, I do not want my child to be helped by the staff. Please call me at (_____) _____ and I will send someone that is on my child's emergency card to support.
- ☐ My child is NOT fully toilet trained. If this box is checked, a meeting will be scheduled with you to develop a toileting plan for your child.

_____ Print Name of Child

_____ Teacher's Name

_____ Print Name Parent/Guardian

_____ Signature of Parent/Guardian
