JOINT UNIFIED FALL RIVER SCHOOL DISTRICT

"Education is Power"

Dear Parent(s) or Guardian(s)

The Healthy Schools Act of 2000 requires that all schools provide parents or guardians of students with annual notification of expected pesticide use on school sites. The notification will identify the active ingredients in each pesticide product and will include the internet address (http://www.cdpr.ca.gov) for further information of pesticides and their alternatives. The notification of pesticide applications will be posted at your school sites 24 hours prior to the application. All parents and/or guardians will be notified by phone via all call 72 hours prior to the application of a pesticide. We expect to use the following pesticides in your school this year:

Name of Pesticide (Common Name)	**Active Ingredients(s)**
Foaming Wasp Spray	d-Phenothrin, Tetramethrin
Finale	Glufosinate Ammonium
Glystar Plus	Glyphosate-Clycine N
Bandini Weed & Feed	2-ethylhexyl 12, dichlorophenoxyacetate
Round Up Pro	Isopropylamine Salt of N Isopropylamine Salt of glyphosate
Surflan A S Specialty	Oryzalin Glycerin
Glycerin Best Turf Supreme 16-6-8 Plus Trimec	Mecoprop and Dicamba

If you have any questions please contact **Rodd Taylor at 530-335-2483,** Director of Operations for Fall River Joint Unified School District.
