

# In Case You Missed It...

Bentley Board of Education

LEARN TODAY. LEAD TOMORROW.

## October 12, 2026

### In case you missed this week’s Regular Board of Education meeting...

- High School Junior, Bobby Newton, our high school representative to the Board shared that the 2026-27 marching band will attend the MSBOA marching band festival tomorrow in Swartz Creek where they will perform at 6:00 PM. With the football season winding down, the band’s next big performance will be in the Lake Orion Holiday parade on Saturday, December 5—a performance they are invited to attend each year. Tomorrow is pink out day for our volleyball team followed by two days of parent teacher conference and the Trick or Treat Trail on Saturday from 12-2 PM, where NHS will serve donuts and cider. College visits have started; FAFSA is open; and the NHS has launched their annual pumpkin decorating contest.
- This year’s Mackinac trip will be the beginning of an every other year excursion and will be for both third and fourth grade students. This year’s trip will be June 2-3 at a cost of \$280/student and \$380/chaperone.
- The board was updated on the wastewater overflow at the basketball court - we are working to both clean up the court and address the sinkhole on the west side.
- Regarding Section 31aa funding, the board will forgo the section 3 funds and are opting into the section 2 funds for mental health.
- The reviewed the proposed policy changes for volume 41-1; are moving forward with their annual recognition of the board members the latter half of October; celebrated the award of \$400,000 for the CTE expansion grant to begin a mechatronics program and also celebrated the great work of our RIISE students, who bring the Little Bulldogs their food via cart each day; and they welcomed Jack Webb as a part-time maintenance team member.
