

In Case You Missed It...

Bentley Board of Education

LEARN TODAY. LEAD TOMORROW.

April 27, 2026

In case you missed this week’s Regular Board of Education meeting...

- The Board discussed the possibility of the City of Burton beginning a youth advisory board, composed of several students from each of the three public school districts. The Board likes the idea of increasing communication between the City and the school districts as well as providing our youth the opportunity to work with other youth from across the city, refining their voice and increasing their agency.
- The proposed policy updates were read for the second time.
- The Bentley Community Resource Fair will be Wednesday, June 10 from 4:30-6:30 PM with the generous support of Genesee County Community Mental Health Millage funds. The theme of the event is Unplug and Play. We will be providing dinner to those who come; there will be an inflatable obstacle course and numerous give-aways; and importantly, there will be access to numerous community resources for mental and physical health. It will be the perfect way to launch summer!
- Shelley Wooley of the Society of Manufacturing Engineers (SME) presented the possible placement of a Career Tech Education lab at one of the buildings donated by McLaren Health. The goal of the SME Education Foundation is to bridge the existing manufacturing community with the education community. They start with a regional market analysis and workforce needs assessment – what can the school offer and what jobs are needed. They use that information to determine the best manufacturing pathway to help the school develop: industrial maintenance, machining and fabrication, mechatronics/robotics, and welding. They have served 12K students in grades 9-12 and are in 133 schools, across 27 states. They help with the funding to provide the machines, curriculum, and professional learning for the teachers. The district pays for the teachers and provides the space. It’s an exciting opportunity for our students and the broader community.

Tue	Apr 28	Boys Volleyball @home vs Durand 5:30 PM	
Wed	Apr 29	Softball @home vs Kearsley 4 PM; MS Baseball & Softball @Bendle 5 PM	•
