In Case You Missed It...

Bentley Board of Education

LEARN TODAY. LEAD TOMORROW.

July 13, 2026

In case you missed this week's Regular Board of Education meeting…

- The Board approved the hire of several people: Michele Prainito, Krystal Bugbee, and Nate Minnoy.
    - Michele is joining the District as a school social worker with 13 years of experience. She loves kids and knew from a young age that connecting with students in this capacity is how she wanted to make a difference in the world.
    - Krystal is joining the District as a lead teacher at Bentley Little Bulldogs. She has worked with young children for years, and specifically as a lead GSRP teacher for the last three years. She also loves young children and helping them thrive–she's especially excited about our nature-based program.

    - Coach Nate is joining the District to lead the Boys Varsity Basketball team. People who know him all concur that he connects readily with youth! He is looking forward to building the program starting with elementary students.
- The Board also approved the installation of fencing at Barhitte Elementary, adding another layer of security for our students, which is funded through state grant money for safety.
- We took a quick peek at our updated policy website, which you can see at the link below:
