

In Case You Missed It...

Bentley Board of Education

LEARN TODAY. LEAD TOMORROW.

June 22, 2026

In case you missed this week’s Regular Board of Education meeting...

- The 2025-2026 final budget, 2026-2027 initial budget, and the truth-in-taxation levy were presented to the board. We are ending this year with a 14.15% fund balance.
- Mr. Folke Boman, retired Bentley teacher and Middle School Principal, was recognized for his 21 years of volunteer service with the Skeet Club, which he began in 2005. He didn't just teach young people how to handle a firearm safely or build the skills to shoot competitively. He built a family. Because of his mentorship, our students have traveled the country, qualifying and competing at both state and national events. He has opened doors to collegiate scholarships that changed lives, and he helped decades of students find their passion, their confidence, and their lifelong friends.
- The August 10th board meeting has been moved to 6:00 PM.
- And there were two closed sessions: collective bargaining and superintendent evaluation.

Sat Jul 4 Happy Independence Day!
