Re: Childfind

In accordance with ED 1103.01 (CFE300.125) Child Find, the SAU has placed an ad (where?) and sent mailings to local providers, private schools, doctors and social service agencies informing the public that special education services are available to any individual who needs them.

If a parent or local provider should contact you for a referral, please have them fill out a referral form and send it to BHVS- Attention: Jennifer Kay: Special Education. If you have any questions, please call 603-744-6969.
