HELP LUVERNE PUBLIC SCHOOLS PLAN AHEAD

## Census Information Needed

- Are you new to the Luverne School District and have children birth to 5 years old?
- Do you have a baby born somewhere other than Luverne?
- Please use the QR code to add children birth to 5 years old to our census or contact Community Education at 507-283-4724.

### What is this information used for?

Luverne Community Education keeps current records of the number of 0-5 year old children living in the Luverne school district. These numbers are used for:

- Determining how much state aid we receive for our Early Childhood programs.
- Creating a mailing list to send Community Education and Early Childhood/Family Education (ECFE) information.
- Determining an estimated number of children who will be entering Kindergarten each fall.

AYUDE A LAS ESCUELAS PÚBLICAS DE LUVERNE A PLANIFICAR AHEAD

## Información del censo necesaria

- ¿Es usted nuevo en el Distrito Escolar de Luverne y tiene niños desde el nacimiento hasta los 5 años?
- ¿Tiene usted un bebé nacido en otro lugar que no sea Luverne?
- Utilice el código QR para agregar niños desde el nacimiento hasta los 5 años a nuestro censo o comuníquese con Educación Comunitaria al 507-283-4724.

### ¿Para qué se utiliza esta información?

Luverne Community Education mantiene registros actualizados de la cantidad de niños de entre 0 y 5 años que viven en el distrito escolar de Luverne. Estos números se utilizan para:

- Determinar cuánta ayuda estatal recibimos para nuestros programas de primera infancia.
- Creación de una lista de correo para enviar información sobre Educación Comunitaria y Educación Infantil/Familiar (ECFE).
- Determinar un número estimado de niños que ingresarán al jardín de infantes cada otoño.

## Free Developmental 0-2 years Screening for children living in Rock County

Areas screened include personal and social skills, self-help skills, large and small muscle skills, language skills and hearing. Call Community Education at 507-283-4724 for more information or to request an appointment time.

## Minnesota Early Childhood Screening Do Prior to Age 4

**Minnesota State Law** requires that children at the age of 3 years participate in a developmental early childhood screening. The purpose of the screening is to identify health and learning delays, but is not intended to substitute for care from your family physician, dentist or other provider. It consists of the following components: fine/gross motor skills, language development, concepts, height/weight, vision, hearing, review of child's health history and immunization records. Children on the Luverne preschool census receive invites for the screening. **The next screening dates for the Luverne School District will be September 26, 2025 and January 30, 2026.** If your child is 4 years old and has not been screened, please call 507-283-4724 to set up a screening time.

## FamilyU After School Child Care (Kdg - Grade 5)

This child care program, which runs year-round for students in grades K- 5, is located in the **Elementary School Multi-Purpose Area**. Care is provided from 3:15 to 5:30 on school days and continues full days during the summer months in conjunction with Community Education's **Morning Rec program**. No care is provided during holiday breaks, on all-day inservice days or on days when school is dismissed early because of weather.

Children participate in games, arts and crafts, character building and self-esteem activities. Children play outside daily, weather permitting. During the school year, time is set aside for homework and reading. During the summer, field trips, library outings and more are planned into each week.

Program fee during the school year is \$40/week. During the summer, rates are \$110/week for the half days during the weeks of Morning Rec and \$155/week for the weeks of full days (Fees are subject to change). There is an additional summer activity fee. (Be sure to register for Morning Rec at Community Ed in May after the summer brochure comes out). Payments are due every 2 weeks in advance.

Registrations are accepted throughout the year if there are openings. Names may be placed on a wait list for available openings with a 2 week non-refundable deposit fee that will be applied to your first child care payment. First priority is given to year round care, then school year care. During the last week of May, if there are no summer openings, the deposit fee will be refunded. During the last week of August, if there are no school year openings, the deposit fee will be refunded.

Welcome to Ancient Greece, where the focus is on the big tournament! The Olympic Games are starting soon, and the Cyclopes and Titans are both expecting to win big in the games. But the tournament can't start without Hercules. Will the legendary strongman of the ancient world spark the flame and start the festivities on time, or will his legendary tardiness get in the way of the games? Join us for a tale the scholars will talk about for ages as mythical creatures and Olympians alike share in a friendly competition. Along the way, we may just learn that true strength lies not in our muscles but in our character.

### Weather Announcements

Field and weather conditions are **checked about one hour before an activity is to begin.** As soon as the decision is made to cancel, KQAD/800 AM--K101/101.1 FM radio station is notified. Announcements will also be placed on the website at [www.isd2184.net](http://www.isd2184.net) under Community Education. See the school website on previous page. You can also follow us on Facebook at **Luverne Community Education** for updates.

### Severe Weather Policy

Community Education/Summer Recreation umpires, coaches, and teachers have been directed to stop outdoor activities when threatening weather conditions occur. The head umpire makes the decision regarding suspension or cancellation during games. The activity supervisor makes the call at activities.

### Registrations, Late Fees & Refunds

Registration in a class is confirmed when your payment is received. A \$10.00 late fee will be added to payments made after registration deadlines. If you withdraw from a class after the registration deadline, 1/2 of your registration fee will be refunded. If you withdraw from a class after the first day of class, there will be no refund. Due to the fact that we hire supervisors and assistants, pay insurance and order supplies based on registration numbers, we must follow this policy. Please check your calendars for conflicts before signing up for classes. Thank you for your cooperation.

### Class

### Supervision Policy

Parents: Realize that supervisors/coaches have other responsibilities and in most cases will need to adhere to the start and end times of classes very closely. Please do not drop your child off early for class and make arrangements to pick up your child promptly. There is no supervision ahead of the start time and the supervisor may need to leave immediately at the end time for his next activity.

Take time to show your child where the Community Education office is located on the south side of the building. If he/she is ever unsure of what to do or is scared, direct them to go to Community Education to find an adult that will help.

### Financial Aid Available

We want all children to participate in activities. We have funds available to help with fees or there are opportunities to exchange work hours for fees. **Contact Child Guide Coordinator, Josey Arends at [j.arends@isd2184.net](mailto:j.arends@isd2184.net) or Community Education 507-283-4724 before May 16, if interested.**
