

## ***Welcome to the 2026-2027 School Year!***

Below you will find some helpful information as you prepare your child(ren) for the first day of school at Fort Atkinson High School.

### **School Supply List**

- 1 spiral bound notebook per class
- 1 folder or organization tool for papers/materials per class
- 1 pack of #2 pencils (mechanical or regular)
- 1 pack of black or blue pens
- 1 pack of highlighters
- 1 pack of post-it notes
- 2 boxes of tissue for your **homeroom teacher** (bring first week of school - NOT Freshmen Link Day)
- 1 planner/assignment notebook (*OPTIONAL: highly recommended to organize homework/ deadlines*)
- 1 calculator for [recommendations click here](#) or scan the QR code on the right →
- **SENIORS ONLY:** Supplies for Senior Portfolio - 2-3 inch binder, tab sheets and sheet protectors

### **Specialty Classes**

**Note:** specialty classes may request additional supplies specific to their curriculum. Students will be notified of these items in the first week of school

### **Technology**

All FAHS students are given a school-issued Chromebook which will be **required** to be used for daily learning. Our district uses specific apps and secure portals which we can push out to all devices that are school issued. These are not able to be added on personal devices, nor is our district equipped or responsible for helping with personal device issues at school.

Additionally, during testing season, students must use a district-issued Chromebook in order to access the secure testing portals and to allow our SDFA Tech Team to problem-solve quickly should issues arise.

*Please note the following:*

Freshmen will be issued a new Chromebook the first week of school. Other grade level students who do not have a district-issued device, or returned theirs at the end of the year for repair, will be required to check one out during Back to School Kick Off in the IMC or on their first day of classes.

The District will continue to offer Chromecare to cover accidental damage to student issued devices at no cost. Please help us remind your student(s) about careful and responsible use of technology. Negligence is **not** covered under this plan. This would also be an ideal time to talk to your student(s) about respectful behavior online and being a good digital citizen.

Looking forward to seeing you soon!

Mrs. Scheuerell, FAHS Principal
