Curious if your student is up to date for their School Immunization Requirements?

Parents/ Guardians can check vaccination status through the Wisconsin Immunization Registry website [WIR](#). If you do not have access, connect with your school, doctor's office or local health department.

Find Wisconsin Immunization Requirements and information [here](#), or WIR instructions [here](#).

For students who do not have insurance, or have medical assistance/ BadgerCare, their parent or guardian may call the Jefferson County Health Department to set up a vaccination appointment at 920-674-7455. Those who have insurance that does cover vaccinations, or have insurance that does not cover vaccinations will need to make an appointment with their primary care physician or participating pharmacy.
