September 3, 2026

Dear Parents of Elementary and Middle School Students,

On Friday, September 11th, Glenbard South will host its annual Raider Pride Night home football game. It is a great opportunity to welcome all of the elementary and middle school students from our community who will someday call themselves Raiders. Our high school community truly embraces events like these as they give us a chance to showcase Glenbard South to the students and families of our sender schools.

In order to maintain the safest atmosphere possible for both your students and our Raider community, the following guidelines will be enforced at all home Glenbard South events.

- All elementary and/or middle school students must be accompanied by their parent/guardian in order to enter the event. Any student that is not accompanied by an adult will not be allowed to enter and one parent will not be allowed to bring in a group of students.
- Students should be accompanied by their parent/guardian at all times.
- Students should not gather in large groups that block high traffic areas near concession stands, restrooms, entrances, or stairways.
- Physical horseplay will not be allowed at any time.
- Students not following these guidelines will be asked to sit with their adult supervisor or may be required to leave.

It is our goal to improve the safety and enjoyment of all events here at Glenbard South for all members of our community. If you have any questions, please do not hesitate to contact us. We thank you in advance for your assistance in this matter.

Sincerely,

Tim Carlson

Tim Carlson
Assistant Principal for Athletics
Glenbard South High School
