ACADEMIC SERVICES

Bishop O’Gorman Catholic Schools is committed to providing appropriate education services to all students whenever possible. Each school offers academic support to students to achieve their potential and to aid in promoting a positive learning experience. The designated academic services staff and other school personnel collaborate with parents to design a plan to meet the individual needs of students.

Students with special needs for learning are identified by one or more of the following: medical diagnosis, comprehensive testing, and/or professional assessment. These qualified students are offered the following services or curriculum accommodations:

- **(Report Card Code M) Modified Instruction:** Modified instruction includes significant adaptations in instruction or materials as determined by the school’s academic services staff and other personnel. These modifications enable a student to succeed without altering the objectives for that curriculum area. Modified curriculums may include modification in presentation, form, time consideration, etc.
- **(Report Card Code K) Alternate Curriculum:** An alternate curriculum replaces the designated Bishop O’Gorman Catholic Schools grade level curriculum. This is designed by the classroom teacher, parents, academic services staff and other school personnel to accommodate the student’s academic growth. Educational opportunities are provided in and/or out of the classroom to meet the student’s needs.
- **(Report Card Code R) Enriched Curriculum:** An enriched curriculum indicates a modified or alternate curriculum that focuses on the enrichment of the grade-level curriculum to further the student’s growth. This is designed by the classroom teacher, parents, academic services staff and other school personnel to accommodate the student’s academic growth. Educational opportunities are provided in and/or out of the classroom to meet the student’s needs.
- **Tutoring** – School year and summer tutoring programs are staffed by Bishop O’Gorman Catholic Schools faculty members. Families seeking the additional assistance of a tutor for their child should visit with their principal. Tutoring takes place in the schools at times arranged between the tutor and the family. Tutoring may focus on:
 1. Curriculum content (supporting classroom assignments)
 2. Specific skills (reading, writing, phonics, math)
 3. Time management/work completion.

ACHIEVEMENT ACADEMY

The achievement academy is a supplemental academic program for Bishop O’Gorman Catholic Schools students in grades PS-12 that offers families enrichment or remedial options to broaden and strengthen student achievement, skills, knowledge and success. The program utilizes proven methods of instruction and a dedicated staff to design and implement individualized learning programs for each child. The program’s goal is to assist parents and schools in educating students to their highest potential. **Because this program is supplemental, these services are not covered under normal tuition plans.** The Achievement Academy Director oversees and/or coordinates all programs.

Services available through the achievement academy:

- **Assessments:** A variety of testing tools are available to identify individual student’s academic or developmental areas that would benefit from additional remediation and/or enrichment.
- **Summer Programs:** Camps, educational services, and enrichment programs are available during the summer.

ADMISSIONS

Bishop O’Gorman Catholic Schools strives to educate students who desire a Catholic education within the parameters of our curriculum. Bishop O’Gorman Catholic Schools does not discriminate on the basis of race, sex, color, or national origin. Bishop O’Gorman Catholic Schools does not discriminate on the basis of disability if the students can meet the academic and behavioral standards of the school with reasonable accommodations and/or modifications.

Current families of Bishop O’Gorman Catholic Schools may re-enroll their current students and add new family members before open enrollment begins for new families. Families registered at a Sioux Falls parish will have the subsequent opportunity to enroll their students before open enrollment for the general public. Students who are accepted must complete their enrollment and tuition contracts online to be admitted to a Bishop O’Gorman Catholic School.

Preschool students must be 3 years old on or before September 1st of the year of enrollment. According to South Dakota state law, students entering kindergarten must be 5-years old on or before September 1 of the enrollment year. Students enrolled for 1st grade need to be age 6 by September 1st.

Enrollment and tuition contracts are completed online annually and require a digital signature. A one-time new student registration fee will be charged the first year a student is enrolled in Bishop O’Gorman Catholic Schools. Preschool registration fees are assessed annually.

- **Immunization/Health Records:** In light of a proper Christian concern for personal health, the health of children and others who are vulnerable, public health, and the common good, consistent with South Dakota Codified Law section (13-27-7.1), a parent/guardian acting on behalf of their child and prior to enrolling their child at Bishop O’Gorman Catholic Schools for the first time shall present to school administration a SD Certificate of Immunization Form (Form) that their child has received or is in the process of receiving immunization from certain illnesses, as designated by the Department of Health through the Administrative Rule (44:81). Form is available in the doctor’s office, school office or online at <https://doh.sd.gov/documents/Family/Immunize/CertificateOfImmunization.pdf>.

A completed SD Immunization Form (*referred to as Form below*) must comply with the following:

1. **Child’s name must be legible.**
2. **The Form must be signed by a physician, nurse or school health authority.**
3. **The Form must be submitted before the first day of school. Failure to comply with this requirement will exclude your child from attending school until all the immunizations are completed and the Form is submitted to school administration.**
4. **If the child is eligible to claim an exemption as noted and recognized on the Form, the parent/guardian will need to complete the information and submit the Form.**
5. **The dates of immunizations must include month, day and year (“series complete “or check marks are not acceptable).**
6. **No other Form will be accepted.**

Students entering 6th grade are required to provide an updated SD Certificate of Immunization Form with the additional vaccinations as designated by the Department of Health.

- **Bishop O’Gorman Catholic Schools Enrollment and Tuition Contract:** Families confirm next year’s enrollment by completing the online enrollment and tuition contract through their SchoolAdmin account for each child in their family attending Bishop O’Gorman Catholic Schools. Tuition payment arrangements are set up through the SchoolAdmin account. Delinquent accounts may be charged late fees, accrue interest, and may impact continued enrollment and restrict participation in academic and/or extra-curricular programs, testing, special ceremonies, and access to report cards, diplomas, transcripts and Infinite Campus student portals. Students with past due balances of tuition or other fees (textbook, library books, activity equipment/clothing, fines, etc.) at the end of each semester will not be allowed to continue enrollment in Bishop O’Gorman Catholic Schools until arrangements have been made with the Business Office for full payment of past due tuition and fees. Families who experience financial hardship are encouraged to contact the Admissions Office at 575-3358. A detailed list of all payment policies is published in the Tuition Contract Terms and Conditions.

- ***Financial Assistance:*** Families may apply for financial assistance annually by completing the Tuition and Data Services (TADS) financial aid application accessed through the link in their SchoolAdmin account at the time of enrollment. Numerous scholarships are also available through the Bishop O’Gorman Catholic Schools Foundation. The deadline each year to apply for financial aid is April 1st. Should your family experience a situation throughout the year that makes paying tuition difficult, please contact the Admissions Office at (605) 575-3358 to discuss your options.
- ***Program Changes:*** Parents who wish to make a program change after filing initial enrollment and tuition contract (e.g., add/remove band, add/remove after school care) may do so by contacting the school office and completing an addendum.

Contact the Business Office at (605) 335-6557 or accounts receivable at (605) 575-3367 for any questions or concerns regarding tuition, payments, or program charges/changes.

ARRIVAL/DISMISSAL

The school playground(s) is supervised 15 minutes before and after school. Students are expected to arrive no earlier than this time. Bishop O’Gorman Catholic Schools does not assume responsibility for students who are onsite outside of the supervised times. Supervision is provided in the After School Care Program at certain schools for a fee. Students should immediately leave the school premises after dismissal time. Parents are expected to be prompt in picking up their students as students are only supervised outside the building for 15 minutes after dismissal. After 15 minutes, students will be sent to the After School Program and drop-in fees will be applied. Students being picked up after the morning session of preschool should also be prompt or will be subject to additional fees. During supervised times, students are to remain in the school’s designated waiting area until their ride is available. *(Also see Before and After School Care Program).*

ASBESTOS

As required by federal law and in accordance with the Environmental Protection Agency (EPA) guidelines, Bishop O’Gorman Catholic Schools’ buildings, consisting of asbestos-containing building materials (ACBM), are inspected. All schools are in compliance with applicable safety regulations. Copies of inspection reports and the management plan are on file in the Central Office. Questions or concerns can be directed to the President’s office.

ATTENDANCE

Parents must notify the school office of student absences. Regular school attendance is critical to student academic development and success. Students who are absent from school regularly or take extended absences may experience some difficulty in maintaining the quality of their school work. These absences also place an extra burden on teachers as they track student progress and assignments to prevent lapses in their studies. Whenever possible, parents should avoid taking students out of the classroom except in unusual or unavoidable situations. Regular attendance is essential if a student is to perform up to his/her God given potential. An attendance rate of 95%, or no more than 9 days per school year, is expected for all students. In situations of excessive absences, greater than 9 days per academic year, administrators will notify parents. Questions or concerns should be directed to your child’s teacher or principal. Students may not participate in evening school events if they are absent for more than half a day on the same day as the event.

- ***Outside Appointments:*** Parents are requested to schedule all student appointments outside of the school day. When it is necessary for a student to be excused during the school day for appointments, etc., the parent/guardian must call, send a note, or email the school office prior to this absence stating the reasons and time for the dismissal. Students and parents must check out of the school office before the leave and check in at the office upon returning.
- ***Tardies / Partial Day Absences:*** Students arriving within 15 minutes after school starts will be marked tardy. Students leaving during the school day will be marked absent for the time they are out. Parents must notify the school before a student is allowed to leave the building. All students must check out and in through the office. Excessive tardiness/absences may result in a conference with a truancy officer.

- **Truancy:** Any student who is absent from school without parent/guardian permission will be considered truant. During the school day under no circumstances is a student to leave school property unless he/she has prior parent/guardian permission or permission from administration. Ultimate decisions on loss of credit will be made by administration. SD law requires compulsory attendance (*SD13-27-11* – Any person having control of a child of compulsory school age who fails to have the child attend school as required by the provisions of this title, is guilty of a Class 2 misdemeanor for the first offense. For each subsequent offense, a violator of this section is guilty of a Class 1 misdemeanor). Schools are required to report excessive absences and to inform parents that school children must attend regularly (*SDCL 13-27-16*).

BAND & ORCHESTRA

The band program is open to all students in grades 5-6 for a fee. Orchestra is open to all students in grades 4-6 for a fee. Band and orchestra group sessions are scheduled weekly. Please note that these may not be individual lessons, but rather may be small groups of students with similar skill level/instrumentation. Bishop O’Gorman Catholic Schools will inform parents of additional music opportunities.

Students are responsible for an instrument, lesson books, cleaning supplies and materials. There are limited school instruments available to rent for a fee. Use of a school instrument requires a completed rental agreement. Students will perform in Bishop O’Gorman Catholic Schools vocal and instrumental concerts throughout the school year. Grades may be affected by not attending these events.

BEFORE & AFTER SCHOOL CARE PROGRAM

- **School Year Program (Daily):** All elementary schools offer Before and After School Care programs during the school year for an additional fee. The program runs in conjunction with the school year calendar.
- **School Year Program (No School Days):** The schools may offer options for care when school is dismissed early or on days not in session (in-services, vacation, and conference days, etc.). This “no school day” program is available on some holidays and may follow Bishop O’Gorman Catholic Schools emergency closing procedures. If you have questions or would like to participate, see your school principal.

BEHAVIORAL EXPECTATIONS – See also Appendix B

Administrators have discretionary discipline authority. Administration, teachers, and parents work together to bring each student to the point where he/she freely accepts his/her responsibilities as a Christian. The ultimate aim of the behavioral expectations program is to help students grow in character and virtue. Each child deserves to be in an excellent and safe learning environment. Bishop O’Gorman Catholic Schools strive to guide children in courtesy, kindness, respect, and self-discipline with consistent expectations and consequences to achieve the goal. Bishop O’Gorman Catholic Schools stress positive support for appropriate behavior. As a reference, the elementary (***Progressive Discipline/ Intervention Plan***) is included at the end of this handbook.

- **In School Suspension:** The student will be assigned to a closed study hall. Consequences may include academic impact. Make-up work must be completed and is the responsibility of the student.
- **Out of School Suspension:** A student is not to be in the school building or on school property during the suspension including school sponsored, evening, or weekend activities. Make-up work must be completed and is the responsibility of the student. The student may face a penalty in grades. Students and parents may be notified if a penalty is invoked.
- **Expulsion:** Expulsion is an extreme but sometimes necessary disciplinary measure for the common good. A student will be subject to expulsion for any conduct which is of such a nature as to jeopardize the good name of the school community or which is detrimental or harmful to any member of Bishop O’Gorman Catholic Schools. Defiance of authority, violent or threatening behavior, verbal or non-verbal harassment of any kind, vandalism, theft, possession or use of weapons, cheating or overt disrespect for the laws of attendance may demand permanent expulsion. Any student found in the possession of, dealing with, or under the influence of drugs or alcohol on school property, or at any

school-sponsored activities off campus may be subject to permanent expulsion. Administration holds discretionary power with regard to expelling a student.

BIRTHDAYS

Schools recognize each child's birthday in a special way. Summer birthdays may be celebrated during the school year as half birthdays.

If allowed, classroom treats (one per child) should be scheduled ahead of time with the classroom teacher. Parents should verify with the teacher if there are any food allergies in the class before sending treats. Nutritional treats are recommended. Homemade treats and soda are not allowed.

Treats must be packaged in the original container from the store with an ingredient label. This allows teachers to verify the ingredient list before serving them to students who have allergies. If treats are sent that do not comply with these guidelines, they may be returned home. (Reference Snacks section on page 20).

Due to potential health risks for students with allergies, latex balloons are not allowed in the classroom. Outside deliveries will be held in the school office and distributed at the principal's discretion to avoid interruptions to the school day.

Invitations to parties or special activities outside of school should not be sent to school or handed out during school time unless they are for the entire class (or all girls/boys). Disruptive activities, such as limos, singing telegrams, etc., are not allowed.

CELL PHONES/WEARABLE DEVICES

Cell phones and wearable devices are not to be used in any area of the school or on the playground including the Before and After School Care Program. These devices can be distracting, can cause academic integrity issues, and have a potential to be dangerous in cases dealing with school emergencies.

Cell phones and wearable devices may be stored "OFF" in lockers/backpacks or checked into the office during the school day, per principal discretion. Violations will result in the devices being confiscated and held by administration.

COMMUNICATION

It is important to actively involve parents in the school-related education of their children, understanding that parents are the primary educators of their children. As partners in education, regular communication with parents and students occurs through conferences, written and verbal reports, newsletters, and emails during the school year. Parents may access their student's academic progress through Infinite Campus. Parents are encouraged to contact the school whenever questions, concerns and suggestions arise regarding their child or the school program.

If a parent/guardian wishes to contact a teacher, send an email or call the school office and leave a message and the teacher will return the call.

For the safety and well-being of the child, please notify the school of any changes that might affect his/her life at school (e.g. change of address and or/phone number, death of a loved one, change in family status, parents out of town, etc.). We can best work together when we keep each other informed.

CONCERN OR COMPLAINT PROCEDURE

In keeping with the school-parent partnership, Bishop O'Gorman Catholic Schools attempts to address concerns in a confidential, informed, and timely manner. From time to time, disagreements might occur. How disagreements and concerns are communicated is important to guiding a true faith community. Respect for students, parents, and school personnel, as individuals made in the image of Christ, is paramount. We come together to resolve issues, not to win or lose. Bishop O'Gorman Catholic Schools has in place a process based on the law of subsidiarity (i.e., communication to express concern or resolve a difference must first be addressed at the level of origin). The following steps should be applied:

1. A parent/guardian should first discuss a concern with the teacher with the objective of resolving the concern informally.
2. If the concern is not resolved with the teacher, the concern should be addressed to the principal with the objective of resolving the concern informally. A written response will be furnished to the parent/parishioner if requested.
3. If the concern is still not satisfied, the parent/guardian may take their concern to the President or his/her designee.

During the course of a school year, administrators and staff members receive numerous written correspondences either by e-mail or mail. As a school we will only respond to communication that is signed and/or in person. School administrators will decide if circumstances warrant a different response.

Our goal with regard to the above referenced steps is to provide an opportunity to resolve issues in the most responsive way while ensuring that O’Gorman High School students, families and employees are represented in an honest and fair way at every level. By maintaining timely and effective communication, we hope to build on your trust. Trust evolves from each attempting to discern, in a safe manner, what is best for everyone while maintaining confidentiality and respect.

Parents may stop at the school and view records in the administration office. Parents are asked to make an appointment prior to such a visit. In certain circumstances, parents have been restricted from viewing such records due to court order. If this situation occurs with a student, the administrative office should possess appropriate legal documentation. Bishop O’Gorman Catholic Schools complies with state accreditation reporting requirements. As a Catholic school, Bishop O’Gorman Catholic Schools is not required to comply with The Family Education Rights and Privacy Act (FERPA).

COUNSELING

Bishop O’Gorman Catholic Schools provides a comprehensive counseling program to students and employs licensed school counselors. School counselors work with all students to address emotional, behavioral and academic concerns as well as to provide counseling for developmental concerns such as friendships, conflicts, following directions, anger management, respectful communication, study and organization skills.

As part of the comprehensive counseling program the school counselor works with all students in the school. Counselors play a significant role in identifying and referring students for mental health and academic evaluations in partnership with parents and teachers. If the counselor determines your child would benefit from regular meetings, parent permission will be obtained.

Counseling programs at each school include a wide array of both preventive and social skills education. Counselors meet with the full class, small groups of students, or individually to address specific topics, offering a custom program based on needs. Visits with the counselor are not considered disciplinary action.

CURRICULUM

The elementary curriculum provides a solid foundation in Religion, Language Arts (Reading, Writing, Cursive Handwriting, Grammar, Phonics and Spelling), Mathematics, Science/Health, and Social Studies. Weekly instruction is also provided in Music, Art, Computer/Technology, Library, and Physical Education. State and Bishop O’Gorman Catholic Schools curriculum standards are addressed through excellent classroom instruction, a school based reference/reading library, use of technology and auxiliary materials. Curriculum guides are available upon request.

FAITH COMMUNITY

Bishop O’Gorman Catholic Schools become a community of faith by working, praying and celebrating together. All students receive religious instruction on a daily basis. Students assist with the liturgy during the weekly Mass. The school celebration of the Sacrament of Penance occurs twice a year.

All K-6 students (Catholic and non-Catholic) and staff celebrate liturgical seasons by participating in special liturgies and service projects. Parents are encouraged to join these celebrations. Preschoolers participate when activities are deemed appropriate for their age group.

FIELD TRIPS OR ACTIVITIES

Field trips provide a learning experience for students. School personnel determine student participation on a field trip.

Teachers will inform parents in writing about field trips. Parents should notify the school office if any applicable participation fee presents a financial hardship. Students will be required to leave and return to school in the same vehicle, unless permission has been issued beforehand by the school administrator.

Parent drivers are required to complete the volunteer driver’s process, which includes signing a volunteer driver form, on-line safe environment training, and a background check. Drivers are asked not to bring

drinks or treats for students on field trips or to stop anywhere to pick up “treats” during field trips unless permission has been prearranged with the principal. Drivers should not make unauthorized stops and movies and radio stations in vehicles should be “G-rated” and appropriate. Students are not allowed to bring cell phones or other electronic games and devices on field trips.

GIFT CARD PROGRAMS

The Gift Card Program is a fundraising effort coordinated through the Development Office. Parents are encouraged to use the program to earn tuition credit toward student accounts as well as help support teachers and staff salaries and benefits for the system. Gift cards may be purchased in most school offices, parish offices, after Mass on the weekends, and the central office located at O’Gorman Junior High.

There is also an online option to purchase electronic gift cards. For more information and a list of vendors, please visit www.ogknights.org or call (605) 335-6557.

GUARDIANSHIP

Students must be living at home with a parent or legal guardian in order to attend Bishop O’Gorman Catholic Schools. Any situation, which deviates from this guideline, must be brought to the attention of school administration so determination can be made regarding the school status of the student.

GUESTS OF STUDENTS

Students are allowed to have guests visit with prior administration approval. The host student must seek permission from the administration office. The visiting student must be dressed in accordance with school dress code and must comply with all policies as outlined in this handbook. The school retains the right to deny this request. It is recommended that guests be invited only in special circumstances and not as a social event for students.

HARASSMENT/BULLYING POLICY – See Appendix B

HEALTH/MEDICAL PROCEDURES – See Appendix C

HOMEWORK

Homework can be expected in kindergarten through 6th grade as it provides an opportunity for students to reinforce concepts and deepen content knowledge. The research proven benefits of homework include developing time management, problem solving, prioritizing and study skills. In addition, homework provides an opportunity for parents to observe what their students are learning. The amount of homework will increase per grade level. Please expect at least 10 minutes of homework per grade level.

The homework guidelines include:

- ***Homework Components:***
 - Assessment (evaluation tool)
 - Preparation and reinforcement (application of concepts learned)
 - Bridge (parental awareness/involvement)
 - Responsibility (independence/time management)
- ***Homework should reflect authentic guided practice...***
 - Of concepts introduced in class (flash cards, review sheets, independent reading, study guides, test preparation)
 - Of work not completed in classes (makeup work)
 - That is developmentally appropriate (special projects, research experience, development of creativity,)
 - Of skills taught (memorization of facts and concepts taught in content areas).
 - That provide an opportunity for parental involvement and support
 - Of mastery expectations (revision of work)
 - Within appropriate completion timeline

- **Parents should...**
 - **Make homework a priority** (monitor extra- curricular commitments/influences)
 - Provide a quiet study area/necessary supplies
 - Reinforce with praise and support
 - Set aside appropriate time
 - Counter children's attempts to avoid homework
 - Communicate with teacher
 - Encourage children to do their own work
 - Reinforce meeting homework deadlines
- **Students should...**
 - Complete all assignments to the best of their ability and skill levels (according to directions)
 - Complete assignments in a timely manner (missed/incomplete assignments due to illness/vacation)
 - Submit work that is done neatly (legibly)

 - Recognize homework as a growth opportunity
 - Maximize use of study time (test preparation, daily work)
 - Demonstrate ownership of homework (necessary materials, time management, attention to detail)
 - Develop age appropriate organizational skills (planner, assignment notebooks, time budgeting of schoolwork and activities)
- **Make-up work:** When a parent notifies the school office of an absence, he/she may request to pick up missed assignments from that day in the school office between 3-4 p.m. Parents may request that siblings bring home make-up work only to the extent that they can reasonably carry. Students will be expected to complete work on their return to school within a teacher-determined number of days (suggestion: five (5) days gone, five (5) days to complete make-up work). Make-up tests should be scheduled as soon as possible to allow the student to resume daily class work.
- **Vacations/other absences:** Parents are encouraged not to take vacations or extended trips during the school year and to the greatest extent possible, vacation times should be planned when school is not in session. If it is unavoidable, make up work may be given when the student returns to school, not prior to the vacation or trip.

INSURANCE/LIABILITY WAIVER

Parents are advised that students are not covered and/or provided with insurance through Bishop O'Gorman Catholic Schools for injuries (including dental) caused by accidents while at school or attending a school activity. If they wish, parents may seek private accident insurance, through an insurance company of their choosing. Parents are responsible for all medical expenses for their child (including ambulance calls during the school day).

During enrollment, parents sign a consent/liability waiver form (agreeing to hold harmless Bishop O'Gorman Catholic Schools with regard to any claim in connection with any illness or injury or cost of medical treatment arising from or as a result of their child's participation or attendance at the event).

LUNCH PROGRAM

- Wellness Policy
- **Free and Reduced-Price Lunches:** A new application needs to be completed every year. All families are encouraged to apply. Instructions and the application for Free and Reduced Lunches are available on the website at www.ogknights.org, at the central office or your school office. Parents may apply at any time during the year if the household size increases, income decreases, or if the family qualifies for SNAP, FDPIR, or TANF. If parents are temporarily laid off or temporarily disabled and cannot work, children may be able to get free or reduced-price meals during that time.
- **Special Diet Request:** Bishop O’Gorman Catholic Schools will make reasonable accommodations for students whose allergies restrict their diets and parents are asked to be cooperative and supportive of any needed adjustments to ensure the safety of students. Parents of students with food intolerances/allergies must have a physician completed and sign the *Health Services Request Form C – Food Intolerance/Allergy Action Plan*. This form is available in the school office or on the Bishop O’Gorman Catholic Schools website.- Once a form is on file and signed by an approved physician, a new form will not be needed unless the allergy changes. Students with special diets must let their teacher know if they are eating school lunch that day. Accommodations are not made for students who do not eat pork. Interactive menus identifying potential allergens will be available on the website. The Food Service Department does not have control over manufacturer changes of ingredients prior to delivery and therefore cannot guarantee the information.
- **Lunch Balances:** All families must set up an account on MySchoolBucks to have email notifications sent for low balances and to view transactions. To set up an account, go to the Bishop O’Gorman Catholic Schools website and click on the MySchoolBucks button. Payment reminders are sent home with students weekly. Parents should monitor accounts closely.

At the end of the school year, lunch balances are rolled over with the student to the next grade or roll over to a sibling. If the student is not returning to Bishop O’Gorman Catholic Schools, a balance of \$10.00 or greater will be refunded. Please contact the food service department to receive a refund on a balance less than \$10.00.

- **Account Payments:** Payments can be made through MySchoolBucks using electronic check payments, credit or debit cards for a convenience fee per transaction. Payments of up to \$120.00 per student can be deposited into the account. Payments after 9:00 a.m. may not reflect until the following day. Credit or debit cards are not accepted at the schools.

Lunch payments can also be made with cash or checks and sent to the school where the student receives lunch. All student accounts are individual, there are no family accounts. Separate checks must be written to each school for families with students at more than one location. All checks should be made payable to Bishop O’Gorman Catholic Schools. For families with multiple students at one location, one check may be sent to the school. Please note the child’s first and last name and/or student ID number in the memo line). The check will be split evenly unless otherwise indicated for each student’s account. It is best to send a check, but if cash is sent, please make sure that the child’s first and last name and/or student ID number are written on the envelope.

In the event of a non-sufficient funds check, the amount of the check plus a \$30.00 fee will be taken out of the student’s lunch account and the student will need to bring a lunch from home until the account is positive.

MESSAGES

Messages will only be delivered during a break in the classroom schedule unless there is an emergency situation. **ARRANGEMENTS FOR AFTER SCHOOL EVENTS, RIDES, ETC., MUST BE MADE BEFORE THE STUDENT LEAVES HOME IN THE MORNING.**

Students who need to make necessary calls must have their teacher's permission. These calls should be made **only** in the office. Students will not be allowed to call home for forgotten items. Only on rare occasions or emergencies should forgotten items be brought to the child at school. Everyone needs to cooperate in trying to develop a sense of responsibility within students.

MONEY/VALUABLES/PERSONAL ITEMS

When sending money to school for any reason, it should be placed in an envelope with the child's first and last name, grade, teacher's name and purpose for the money written on the outside of the envelope. Any collection of money or gifts must be cleared through the office. Students should not bring items of value (toys, electronics, etc.) to school. Bishop O'Gorman Catholic Schools will not be responsible for damage or loss. Administration reserves the right to review any information contained in electronic items brought into the school.

PARENTAL INVOLVEMENT

Parent involvement is a key component in the success of each student. Positive communication between parents and the school provides a supportive environment for academic achievement. Parents are encouraged to provide an atmosphere in the home that is conducive to the successful completion of homework assignments and reading. Parents should carefully read all communications sent home from the school, cooperate with school officials regarding academics and discipline, and be involved and supportive of school programs and fund-raising activities.

Parents may become involved in the school in numerous activities during the school year. Opportunities include helping in the classroom or lunchroom, driving for field trips, and assisting in the library or with computers. Room parents (volunteers) assist individual classroom teachers in various ways (planning parties, arranging for drivers, etc.).

Parents are always welcome and encouraged to visit school. Please call or write a note at least one day in advance of the visit. All visitors (including parents) must check in at the school office upon entering school grounds, including the playground. It is recommended that visits to preschool and kindergarten be deferred for several weeks at the start of the school year to allow students time to make a smooth adjustment to school. Please do not bring preschool age children to visit in the classrooms while school is in session.

PRESCHOOL

- **Faith** - Bishop O'Gorman Catholic Schools preschool program lives the mission to form a community of faith by promoting a Catholic way of life. It is important that preschoolers have a sense of being loved, understand God created all of us as unique and special, and are aware that God made people, holy things, the earth and all living things. Children attend Mass and pray in the classroom on a regular basis, therefore will master basic prayers of our faith. Preschool children participate in school-wide service projects.
- **Social/Emotional Development** - Social/Emotional development is a key component of children's overall growth. These early years form the foundation that will be the basis of all future growth. Children need warm, responsive, and predictable environments where they can speak and are heard to thrive emotionally and socially. This will help them see themselves as individuals who are worthwhile and capable of learning.
- **Literacy** - Our preschool programs deliver a multifaceted approach to the development of literacy. The curriculum is based on research regarding the skills, knowledge, and attitudes that lead children to be successful readers and writers. Our literature rich curriculum focuses on oral language and vocabulary development through dramatic play, storytelling, and small group learning times.
- **Math** - Mathematical engagement happens across content areas. Mathematical concepts are incorporated into every area of the Preschool curriculum through intentional daily lessons. Students learn underlying mathematical operations in many of their daily activities which are highlighted by instruction geared toward creating meaningful connections between the children and the mathematical world around them.

- **Science** - As a result of their explorations and participation in simple investigations through play, children demonstrate an understanding of scientific inquiry, characteristics, life cycles, and environments of living things, and objects in the sky, and changes in the earth and sky.
- **Social Studies** - Through their explorations, play, and social interactions children demonstrate an understanding of groups and communities, recognize the passage of time and how the past influences the future, gain an understanding of their physical environment and its impact on daily living, and realize how people work together to grow, produce, distribute, and consume goods and services that meet their wants and needs.
- **Health and Physical Development** - Children demonstrate healthy habits and safe practices, engage in play and movement to develop gross (large) motor skills, and develop fine (small) motor skills.

PROMOTION/RETENTION

Promotion is essentially a matter of placing students where they can work most effectively. Mental, physical, social and emotional development as well as school achievement is taken into consideration. A student will never be retained on the basis of conduct alone. Students in grades PS-6 are evaluated closely the entire year and their progress is reported regularly to the parent.

If for some reason a student does not make developmentally appropriate progress, the teacher, parent and the principal will confer, and if at all possible, reach consensus on proper placement of the child. The final determination as to placement will be made by parent. If parents choose to go against recommendations, a form must be signed and retained in the student’s cumulative folder.

SAFE SCHOOL ENVIRONMENT

The school environment, including the buildings, playground, and parking lot must be safe and secure for everyone and for that reason exterior doors are locked at all schools throughout the school day. Administration reserves the right to search desks, lockers, book bags and coats.

SAFETY

The safety of students and staff is a top priority. Parents and visitors need to drive slowly, watch for students in school zones, and follow designated parking lot safety routes. Students are allowed in designated areas 15 minutes before and after school where supervision is provided. A student who arrives too early or remains later, without prior arrangements with the school office, will be sent to Before or After

School Care where supervision is provided. The regular drop-in fee will be assessed. Students need to remain in the designated area until their ride is available. South Dakota law requires that all passengers must wear seatbelts.

Students are not permitted to ride bikes, scooters, skateboards, or roller blades on the playground. Bikes shall be walked onto the playground. Students must walk their bikes on the sidewalk connected to the playground. All bicycles must be locked when parked. The school is not responsible for bicycles parked on the school grounds.

Students should be taught to follow a safe and direct route to their homes. Preschool children should be walked into the building. Trespassing through public buildings and private yards is FORBIDDEN. Students are expected to obey all safety regulations and to accept responsibility for violations. Students cannot leave the school grounds once they have arrived at school. In inclement weather, all students shall wait in the designated area inside the school for rides.

SAFETY DRILLS

Safety drills are practiced each school year so that students are aware of proper procedures. Teachers will inform and practice the following with their students:

1. Assigned exits
2. Class assembling area
3. Silence in order to hear directions
4. Window/doors closed, lights off

In the event of a tornado warning, students are taken to designated safe areas in the school. If a tornado watch is in effect at dismissal time, students will be dismissed at the regular time. If tornado warnings are in effect at dismissal time, students will be kept in school until it is safe to leave or picked up by a parent.

Fire, tornado, evacuation and lockdown drills are practiced at various times throughout the year. For the safety of the students, all entrance doors are equipped with crash bars to allow students to exit in case of emergency.

Bishop O’Gorman Catholic Schools maintain a current School Emergency Operations Plan and all personnel are trained in response to various types of crisis events (chemical spills, intruders, deaths, etc.) This plan is reviewed annually or as appropriate.

Parents should not access a school if they are aware a drill or crisis is taking place. If the crisis occurs while a parent is visiting the school, the parent should take direction from the authority in-charge. At no time, should parents impede, challenge or obstruct school or law-enforcement personnel during a lockdown situation.

SCHOOL CLOSINGS & LATE STARTS (Weather Related)

In the event of school closing, late start, or early dismissal, parents will be notified through the School Emergency Notification System. Parents should listen to the message before calling the school. An announcement will also be broadcast through various media sources.

In the event of inclement weather where school is not cancelled or postponed, parents are encouraged to use their discretion in sending their child to school or picking them up early. If you decide not to send your child to school, please notify the school office.

- **School Cancellation:** School cancellations must be authorized by the Bishop O’Gorman Catholic Schools President. Cancellation announcements will be made as early as possible utilizing School Emergency Notification System and various media sources.
- **Early Dismissal:** Should school be closed after students arrive, announcements will be made utilizing the School Emergency Notification System and various media sources. Students will be supervised and released to their parents or legal guardian per emergency card information unless the school is notified by said persons as to other dismissal arrangements. Emergency information must be kept current.

- **Late Starts:** In the event of a late start, announcements will be made utilizing the School Emergency Notification System and various media sources as early as possible. A “**one-hour late start**” delays all normal school start procedures, including Before School Care Program, by exactly one hour from regular start time. All classes/activities then follow a normal school day schedule (including afternoon preschool, and the After School Care Program) with dismissal at the regular time. A “**two-hour late start**” delays the start of school by two hours and cancels morning only preschool classes and Before School Care; however, students registered in Preschool Plus programs may report to school two hours late and finish the school day. Afternoon preschool classes will run at normal times and are not affected by the late start.
- **Evacuation Plan:** In case of a building emergency (gas leak, explosions, etc.), it may be necessary to evacuate. Students and staff will be evacuated according to the School Emergency Operations Plan and if it is not possible to re-enter the building, students will be released according to the emergency dismissal or reunification plan.

SCHOOL FAMILY ORGANIZATION (SFO)

Every parent who has a student enrolled is automatically a member of their school family organization and is encouraged to attend meetings and participate at any level. The SFO encourages community building and organizes local fund-raising opportunities, when appropriate. If you have any questions, feel free to contact your principal for more information.

SCHOOL UNIFORMS (PS-6th Grade)

Bishop O’Gorman Catholic Schools’ commitment to a unified and respectful learning environment is reflected in our uniform policy. This policy has been shaped with valuable input from students, parents, and staff, aligning with the mission and philosophy of Bishop O’Gorman Catholic Schools.

At the core of our uniform policy is the belief that a student's sense of identity should be grounded in faith, character, and Christian dignity rather than outward appearance. Our goal is to support parents in choosing styles for their children that promote the virtue of modesty. This policy aims to manifest a visible expression of self-respect, rooted in dignity and reverence for God. By doing so, it seeks to eliminate the distractions of dress competition and fashion, fostering an atmosphere that encourages students to embrace the individuals God has created them to be. Uniforms are mandatory on all regular school days, with exceptions made for specified dress up/down days determined by the administration.

The success of our uniform policy relies on the shared responsibility of students, parents, and faculty in its enforcement. We appreciate the collaborative efforts of everyone involved in upholding this standard, as it contributes to the overall well-being and positive atmosphere of our school community. Thank you for your commitment to creating an environment where every student can flourish in their unique identity.

Please mark uniform components to aid in the return of lost items. All unclaimed items will be placed in the school’s lost and found. SECURITY CAMERAS

As a part of our commitment to providing a safe and secure learning environment rooted in the dignity of every person, Bishop O'Gorman Catholic Schools utilize security cameras as one tool to support student and staff safety, deter harmful behavior, and assist in emergency response.

Security cameras may be located in hallways, entryways, parking lots, and other public or high-traffic areas of school property. These cameras are used solely for surveillance and security purposes and are not continuously monitored in real time. Cameras are never placed in areas where there is a reasonable expectation of privacy, such as restrooms or locker rooms.

Access to live camera feeds and recorded footage is restricted to designated school officials, which may include administrators, authorized school personnel, and school resource officers. In cases of emergency,

law enforcement and first responders may be granted temporary access with the approval of the President or their designee, under the supervision of authorized school personnel.

Access will not be granted when it would constitute an unreasonable invasion of privacy or compromise the safety of others. Video recordings are retained for a limited period of time, after which they are securely deleted unless required for an ongoing investigation or legal matter.

The use of security cameras reflects our broader commitment to the care, respect, and safety of every member of our school community.

In the event a child becomes ill or seriously injured during school, an immediate effort will be made to contact the parent and/or person indicated on the emergency file. In the event of serious injury or illness, and failure to reach a responsible party, the principal or adult supervisor will exercise reasonable judgment with reference to contacting emergency service (per the student's emergency/medical form information). It is critical that each student's emergency information be kept current.

Parents/guardians of students with ongoing health conditions should complete and keep current a Health Services Request Form/Student Medical Care Plan, which will be kept on file in the school office. A Health Services Request Form must be on file for any student requiring medication. The school office and teachers should be made aware of any unusual or serious health conditions that a child possesses (as noted on a Health Services Request Form/Student Medical Care Plan).

DISPENSING OF MEDICATION:

Prescription non-prescription medication should, whenever possible, be dispensed by a parent or guardian. However, Bishop O'Gorman Catholic Schools will permit the dispensing of only FDA-approved prescription and non-prescription medication by school designated personnel and sports medicine personnel who have successfully completed medication administration training by a licensed health care professional and when the medication is administered in accordance with this policy/administrative regulation. Bishop O'Gorman Catholic Schools acknowledges that its personnel have limited knowledge of administering medication to student and reserves the right to refuse to administer medication at its full discretion. Students with food allergies, asthma, diabetes or other medical conditions that may require a medical care plan or who depend on medication in order to stay in school, and whose parents/guardians cannot be present to dispense it, must follow the procedures as deemed appropriate.

Acetaminophen/ibuprofen) will be administered to students upon parent/guardian or student request, provided parental/guardian consent has been granted as indicated on the online re-enrollment platform. Any other medications should be brought to school only when they are accompanied by a parent's/guardian's written orders and should be submitted in its original container.
 - 2.3. No medication may be administered by any school personnel except on the written orders of the parent/guardian. All medications will be kept in the office in a locked cabinet/drawer and managed by school personnel trained in medication administration.

CONDITIONS INVOLVING AN ILLNESS OR ACCIDENT:

2. No student will be allowed to go home from school because of illness without first notifying the parents and principal or his/her designee.
3. Parents/guardians are asked NOT to request that teachers keep a child indoors at recess. If a child is not well enough to play outside, he/she should be kept home. In special cases, permission will be granted, with written request from a physician.
4. Students will only be excused from a gym class with a written note given to the physical education instructor, stating the timeframe and reason why the student is unable to participate.
5. Every accident or injury that occurs on Bishop O'Gorman Catholic Schools property and causes bodily harm must be reported to the principal and parent/guardian. If treatment is needed other than what can be provided at school, a copy of the report should be sent to the president's office (e.g. stitches, concussion, broken bone). The teacher or supervisor should complete an accident report on the same day that it occurs. Notification should be sent to the president's office once all parties have been contacted.

5. Children occasionally contract communicable diseases or conditions, which require that they be excluded from school. In the event a child contracts a communicable disease or condition (chicken pox, impetigo, head lice, scabies, strep infections, pink eye, ring worm, etc.), the parent/guardian should notify Bishop O’Gorman Catholic Schools. In order for students to return to school, please refer to the SD Department of Health website regarding infectious disease facts:
<http://doh.sd.gov/diseases/infectious/diseasefacts>
6. If your child contracts a contagious disease, please inform school personnel so they can take preventative measures at school. If a “pandemic” situation arises, school officials will work closely with officials from the South Dakota Department of Health, City of Sioux Falls, and the Diocese of Sioux Falls to keep parents updated, advised and informed.
