Carley Reidy-Schiavone
Assistant Principal

Dear Parents, Staff, Students, and Stakeholders,

I am honored to join the William Boyce Thompson School community as Assistant Principal and to work alongside our dedicated staff under the leadership of Principal Ryan James. I am excited to become part of the WBT team after serving for five years as an Assistant Principal at School 23 and spending more than 20 years as a teacher in Yonkers Public Schools. Throughout my career, I have been deeply committed to the students and families of Yonkers, and I look forward to continuing that commitment at the William Boyce Thompson School.

Together, we celebrate the many achievements and accomplishments of our students, staff, and families, and we look forward to building upon these successes with confidence and pride.

As we begin a new school year, we embrace the opportunity to renew our focus, dedication, and energy toward our shared vision of excellence in teaching and learning. At WBT, we remain committed to providing high-quality instruction that empowers students to become critical thinkers, responsible citizens, and successful lifelong learners.

I encourage all families to become active members of our PTA and to engage in the many opportunities that support our school community. I look forward to partnering with you throughout the year as we work together to ensure that every student receives the best educational experience possible.

This school year promises to be both challenging and rewarding. I am committed to supporting our students, families, and staff while keeping the needs of our students at the center of every decision. Together, we will establish a strong foundation, set meaningful goals, and strive to reach our full potential.

I wish you a wonderful remainder of the summer and look forward to welcoming everyone back for an exciting and successful school year.

Respectfully,

Carley Reidy Schiavone
Assistant Principal
The William Boyce Thompson School
