### RHS Staff Support Breast Cancer Awareness

Last Saturday, Roosevelt High School – Early College Studies teachers and staff: Ms. DeMatteo, Ms. Cardillo, Ms. DeJesus, Ms. Moscol, and Ms. Dean-Hall, proudly participated in the annual Breast Cancer Walk at Manhattanville College.

It was a beautiful day filled with hope, unity, and community spirit. The event was organized by Ms. McLean, who tirelessly raised funds in support of breast cancer research and awareness. Her leadership and dedication inspired everyone to walk with purpose and pride.
