Noticing the Good!

Open House Brings the Roosevelt Community Together

Roosevelt High School Early College Studies welcomed hundreds of parents and family members for a successful Open House. New and returning families met teachers, connected with staff, and learned about the opportunities available to students.

The evening was a wonderful opportunity to build relationships and strengthen the partnership between home and school. We were also joined by the League of Women Voters, who provided voter registration opportunities for eligible students and family members, promoting civic engagement and community involvement.

Thank you to our families, faculty, staff, and community partners for making Open House such a welcoming event.

Together, we look forward to a successful school year

"ALWAYS MOVING FORWARD"
