January 2026

Aníbal Soler, Jr.
Superintendent of Schools

Dear Students, Families, and Supporters of Yonkers Public Schools,

As we share this year's Yonkers Public Schools Scholarship Book, we do so with a renewed commitment to the vision outlined in our strategic plan, the Yonkers 2030. Our strategic plan calls on us to expand opportunity, strengthen community partnerships, and ensure that every student is equipped to pursue a successful future. This scholarship book is one of the clearest expressions of that mission.

Across our district, students continue to demonstrate the resilience, creativity, and determination that define the Yonkers spirit. These qualities, combined with the support of our families, teachers, and community partners, create the conditions for our students to thrive. Scholarships work to remove financial barriers and open doors to college, career training, and post-secondary pathways.

Yet each year, far too many students across the country miss out on these opportunities simply because they do not apply. According to [SoFi](#), a respected financial education resource, nearly \$100 million in scholarships and more than \$2 billion in grants go unclaimed annually due to a lack of applicants. This is funding designed to support students just like ours. I strongly encourage every eligible student to explore the opportunities in this book and submit applications. Doing so is not only an investment in your future - it empowers you to reach your goals.

To our donors and partners, thank you for embodying the spirit of community driven leadership. Your generosity strengthens the foundation of opportunity we are building through the Yonkers 2030 plan and ensures that our students have the resources they need to pursue their goals.

To our students, you are the heart of this work. Whether your aspirations lead you toward the arts, sciences, trades, public service, or any other field, know that you are part of a community that believes deeply in your potential. As you review this scholarship book, I encourage you to be bold, be curious, and apply widely. Your future is full of possibilities, and we are proud to support you every step of the way.

Sincerely,

A handwritten signature in black ink, appearing to read "Anibal Soler, Jr.", is written over the word "Sincerely,".

APPLICATION DEADLINE: FEBRUARY 13, 2026

**ADDRESS BY DR. PAUL M. MITCHELL, SUPERINTENDENT OF SCHOOLS
TO THE YONKERS PTA COUNCIL OCTOBER 23, 1968, AT ROOSEVELT HIGH
SCHOOL**

In addition to courage and wisdom in innovation, a school district must also have a source of stability and vitality; a source which can be used as a yardstick to measure its educational progress. I believe these ideals, beliefs, and traditions, which are interwoven in the American Creed, constitute that source. The Creed is still a core of commonly accepted working principles, not absolute and subject to different interpretations, but is has enough uniformity of meaning to be used as the moral basis of social justice and as a guide to social direction. I believe this uniformity of meaning would be found in the following beliefs:

A belief that all human beings are of supreme and equal moral worth;

A belief that human beings should be the architects of their own destiny;

A belief that the state is a creation of the people and subservient to them;

A belief that human intelligence can build a better world;

A belief in the rule of self-imposed written law;

A belief in the rule of the majority with the protection of the minority;

A belief in the rights of peaceful social change;

A belief in the right of the individual to be free in all respects not harmful to the common good;

A belief in the rights of the individual to expect reasonable economic security.

In a time of which it is said that no man who is born today will die in the same world into which he was born, these beliefs can make it possible for a man to stand with his feet anchored in unshakable convictions; to breathe in atomic atmosphere laden with change and with portends of greater change yet to come; and to reach into the unknown. He will be able to reach with the confidence that he can mold from the chaos of value conflicts, a foundation; even different from his own if need be but one upon which his sons may stand with the confidence and understanding necessary to go forward.
