Priorities

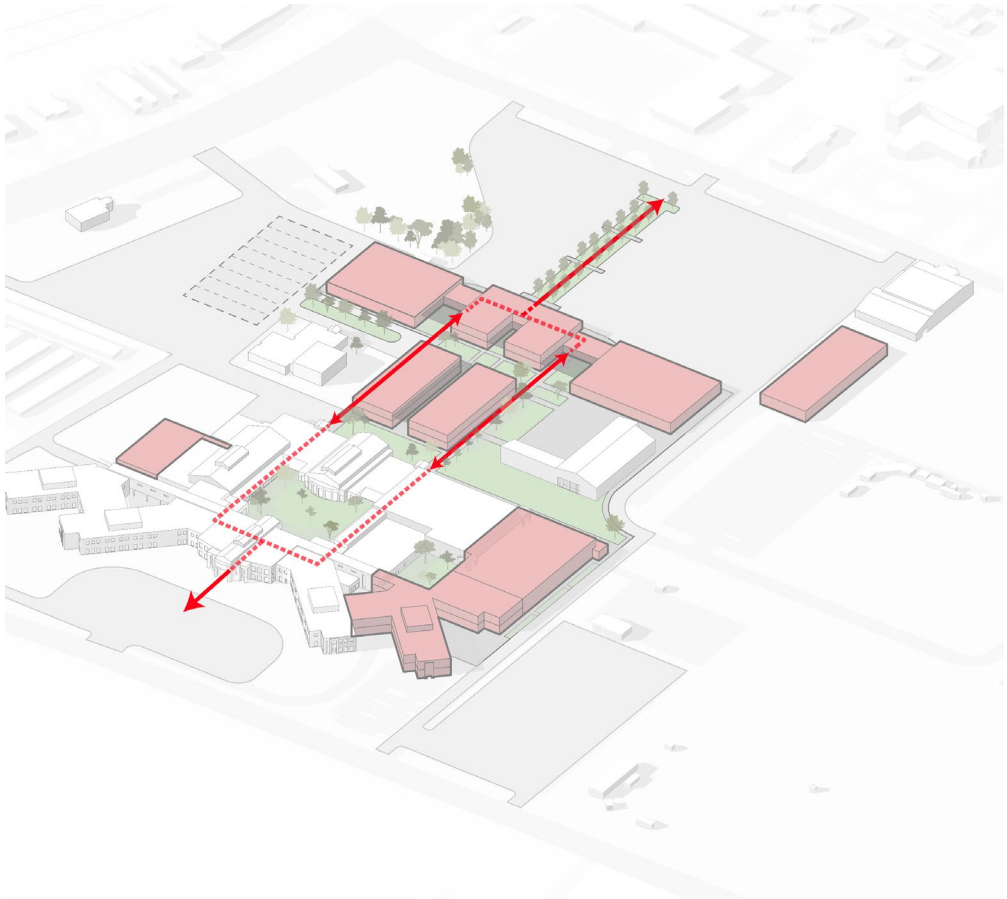

Shade in outdoor spaces
Need more windows – make us happy, relaxing
Need More space (less crowding)– indoor and outdoor
Can you make it happen tomorrow?

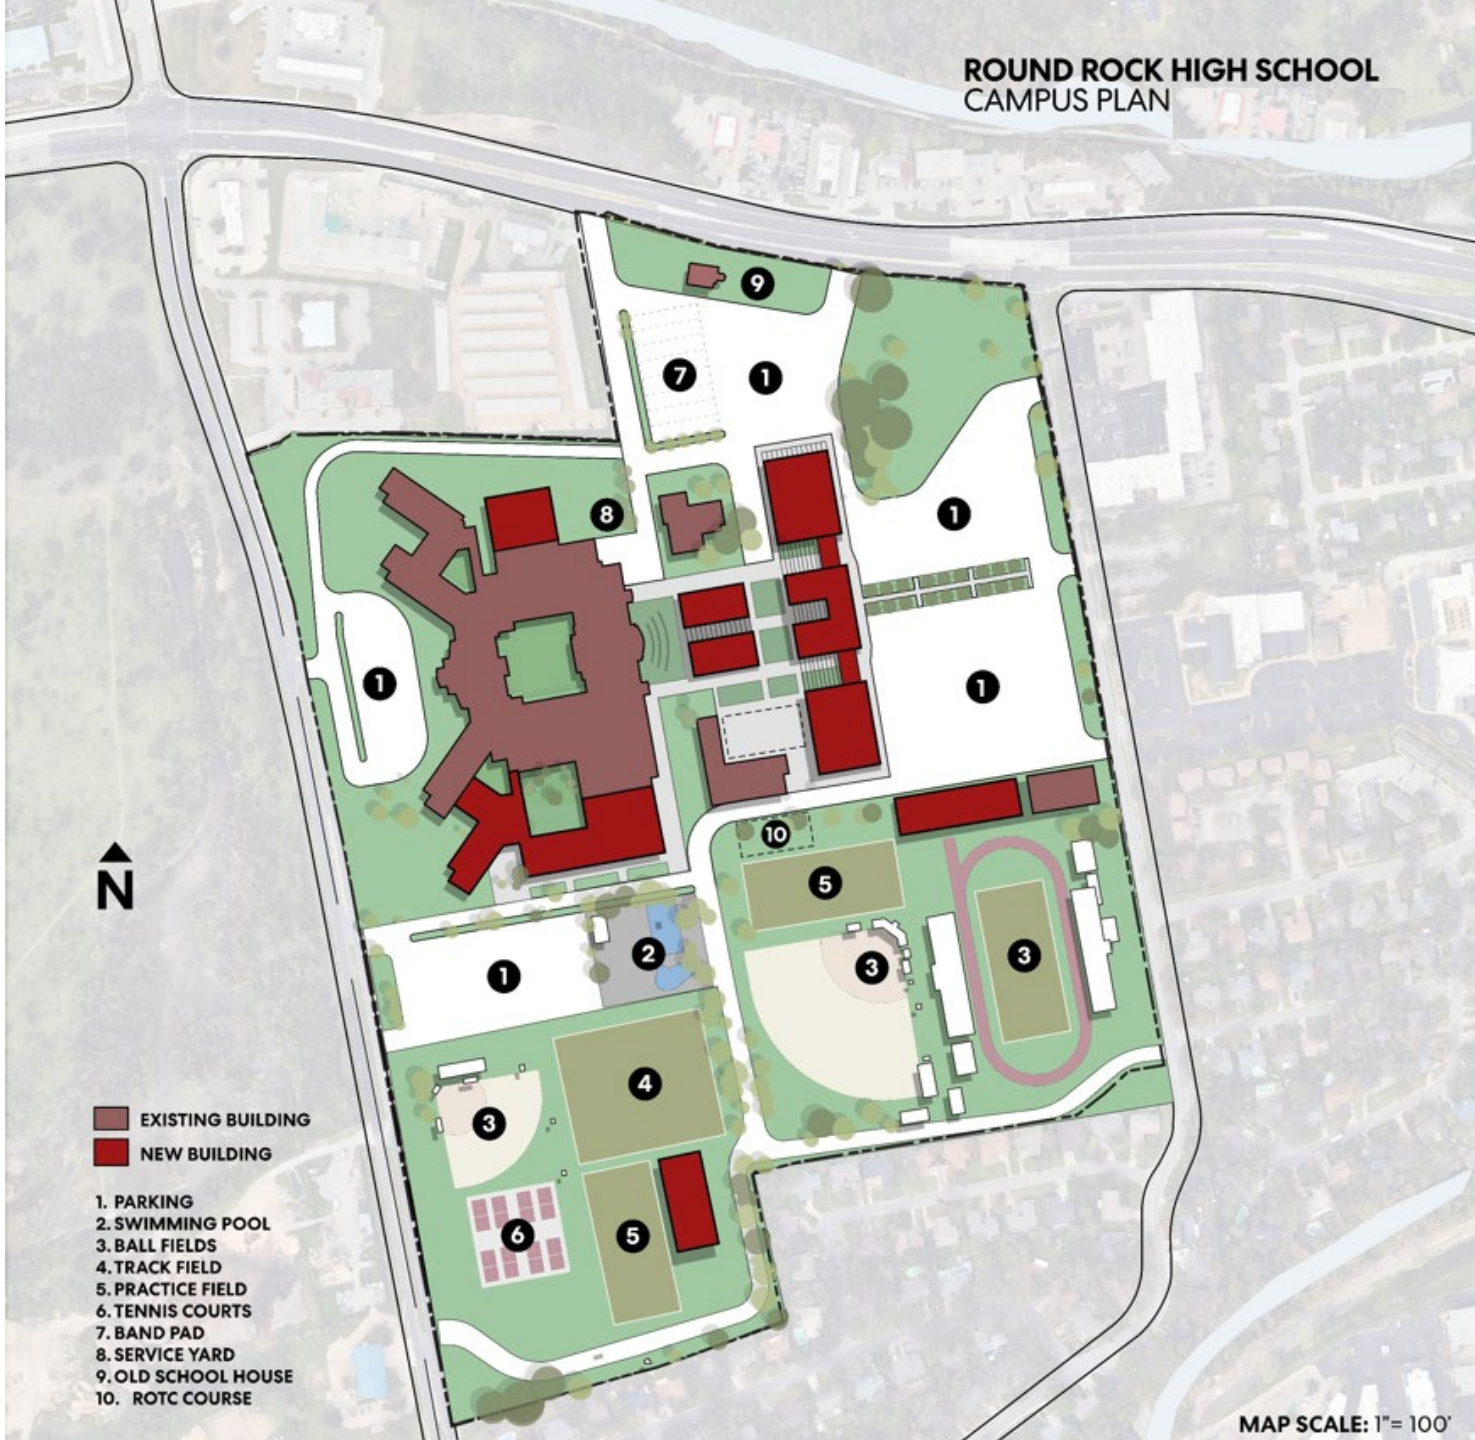

Site Plan

Site Plan Goals

- **Compact Campus:** Reduce walking distances through more efficient spatial planning or vertical construction.
- **Secure Access:** Limit and clearly monitor campus entry points.
- **Clear Circulation:** Separate bus, vehicle, and pedestrian movement.
- **Outdoor Learning:** Expand and improve access to functional outdoor .
- **Program Connectivity:** Strengthen adjacencies and enhance wayfinding.
- **Parking:** Provide sufficient parking to keep students and staff on campus.
- **Flexible Land Use:** Preserve capacity for future growth or special programs.
