

The Maple Grove Charter School PTO

Welcome Back to School

What is the PTO?

The PTO is a volunteer organization of involved families of students, community members, and staff. All brought together to support the teachers, plan events for the Maple Grove students and families, and organize fundraisers to help enrich the learning and improving the school.

How does the PTO help the students, staff, and school?

The PTO raises money through fundraisers such as the calendar fundraiser, selling cookies with frosting, pizza fries sales, and our annual pancake breakfast. This money is used to help teachers buy supplies for their classrooms, fund family events, pay for improvements to the school, and fully fund school forest trips and busing throughout the year.

Anyone is welcome to be involved! Whether you are a parent, grandparent, community member, or a part of the Maple Grove Staff

When does the PTO meet?

The PTO meetings are held in the Maple Grove Gym, right after school at 3:20 PM, every second Monday of the month, August through May. Our Next Meeting will be held on Monday, September 14th, at 3:20 pm.
