Discussion on marketing and advertising. This seems more like a Governance Board responsibility. Do we have clarification for that? Do we still want to do fire? Just marshmallows? Robin is going to check with staff for ideas. We just wanted to get this on our radar for now.

Still working on this.
2.School Forest-Maple Grove will continue overnights for 5th graders.

What does the true budget look like? How do we prioritize getting that budget? Can the Foundation Sponsor 1 per year? PTO Sponsors another?

Do Parents need to Sponsor partials?

We'll work together to make sure we have all of our options concretely outlined so we can present options to the Foundation and Parents.
