Dear Parent/Guardian:

Parents of Magnet School Students Attending the Following Schools:
Clark-Shaw School of Math, Science, and Career Technology
Denton School of Technology
Dunbar School of Creative and Performing Arts
Phillips Preparatory School
Barton Academy for Advanced World Studies
John L. LeFlore Magnet High

Magnet parents will select a pick-up site at the middle school campus nearest their home. This site will be the designated site for the A.M. & P.M. NO EXCEPTIONS. Students should be at their designated pick-up site at least five minutes before pick-up time. Students need to be in a line (NOT IN CARS); buses are on a schedule. No students are to be left unattended at any school site.

Please use caution at your designated site when students are loading/unloading. The transfer hub for magnet students attending Barton, Denton, Dunbar, Phillips, and LeFlore is on the campus of Clark-Shaw (formerly Shaw High School).
Clark-Shaw is not a drop-off/pick-up site. If your child misses his/her bus, you will need to take them to their designated magnet school. Route schedules are available at www.mcpss.com/busroutes. Students are not allowed to bus hop or have other students ride home with them. Drivers are not allowed to help students with instruments, large bookbags, or any sports equipment. If your student cannot load/unload items by themself, then the item cannot be brought on the bus and cannot take up a seat.
