Causey Middle School

Where Excellence is the Expectation

2205 McFarland Road | Mobile, Alabama 36695 | (251) 221-2060

Dear Causey Middle School Families, Students, Faculty, Staff, and Community:

I am honored and excited to introduce myself as the new principal of Causey Middle School. I am truly grateful for the opportunity to join such an outstanding school community and to serve the students, families, and staff of this extraordinary school. What makes this opportunity especially meaningful to me is that it feels like a return home. I began my educational career in the Baker High School feeder pattern, where I spent 17 years as a classroom teacher and coach. I later served as Assistant Principal at Dawes Intermediate School, another school within the Baker feeder pattern, before spending the past four years as Principal of Nan Gray Davis Elementary School. Returning to this community is both a professional privilege and a personal joy.

Over the course of my 24 years in education, I have been fortunate to serve students in a variety of roles, each of which has strengthened my belief that every student can achieve at high levels when provided with strong relationships, excellent instruction, and meaningful opportunities to grow. As a former coach and athletic director, I also understand and value the important role that extracurricular activities play in the development of young people. Athletics, clubs, fine arts, and other student activities help build character, leadership, teamwork, and a sense of belonging that are essential to the middle school experience.

Causey Middle School has a long tradition of excellence, and I look forward to building upon the success that has already been established. Together, we will continue to emphasize student achievement and growth while creating a positive school culture where every student feels supported, challenged, and valued.

I firmly believe that strong schools are built through strong partnerships. The support of parents, families, and community partners is critical to student success, and I look forward to building meaningful relationships with each of you. By working together, we can ensure that every student at Causey Middle School has the opportunity to thrive academically, socially, and emotionally.

I am excited to begin this journey with you and look forward to meeting students, families, staff, and community members in the weeks ahead. Thank you for welcoming me into the Causey family. I cannot wait to get started.

Go Tigers!

Sincerely,
Paul Agnew
Principal
Causey Middle School
