Welcome Back, Wildcats!
2026-2027

Dear Lott Middle School Families and Students,

Welcome to the **greatest school year yet!** At Lott Middle School, every student is a star, every teacher is a difference-maker, and every day is an opportunity to **learn, grow, and succeed.**

We are excited to begin another year of **"Wildcats on the Prowl to Success!"** Our commitment is to create meaningful learning experiences, build strong relationships, and help every student reach their full potential.

Middle school is an important time for students to develop a **strong work ethic, responsibility, accountability, and ownership** of their learning and personal growth. We believe students are most successful when **schools and families work together**, and we appreciate your partnership in helping our Wildcats be prepared, respectful, responsible, and ready to learn each day.

📚 **Students Without Schedules**

Students who have not picked up their schedules will receive them upon arrival. Students will then check the list posted in the gym to locate their **homeroom teacher**.

Our teachers and staff will be available to assist students and make sure everyone gets to the correct location.
