Parent Instructions for Apptegy Rooms and My PowerHub

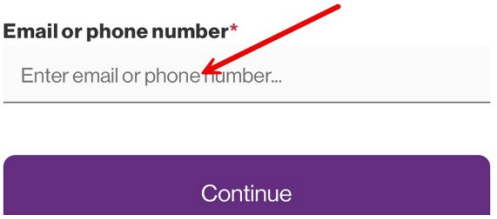

Download the MCPSS App.

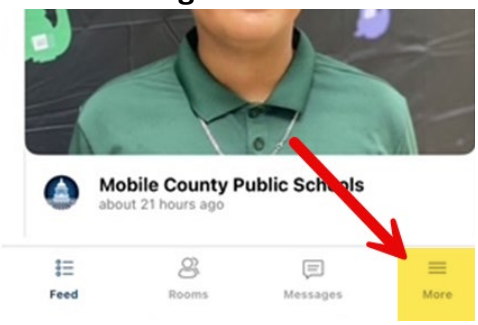

To access Apptegy Rooms, select the Rooms tab at the bottom of the page.

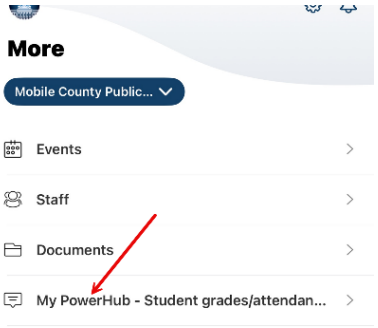

Enter the mobile number attached to your students' record to log in.

To access PowerHub to view student grades, select the more tab at the bottom of the page and then select the tab for My PowerHub-Student grades.

You will use the email address attached to your students account to log in to My PowerHub. If you do not know the password to log in with, select Forgot Password to create a new password.
