Beginning the 2026-27 school year, CASD will utilize Apptegy Notification System for school and district notifications. Apptegy will replace Remind, **and all parents/guardians must have an active Sapphire Community Portal account with current contact information to receive alerts and important updates.** If you have a Community Portal Account, please update the information such as contacts, phone numbers, etc.

Don't have an account. Scan the QR code or use the link to set up a Community Portal account. Keyword: Bison_Pride

Need Help with your Sapphire account...Staff will be available during Back-to-School nights to assist families with setting up or accessing their Community Portal Accounts.

It's everything Clearfield,
in your pocket.

Download the **Clearfield School District, PA** app from the iOS App Store or Android Play Store and enable Notifications.
