Dear Clearfield Area Elementary Parents/Guardians,

It is hard to believe the first day of school is right around the corner. We are hoping that your children are as excited as our faculty and staff is to get the new 2026-27 school year started! Whether this is your first time preparing a little one for school or you are already familiar with our building as an elementary parent or guardian, we welcome you to Clearfield Area Elementary! We are focused on providing a safe, structured, and supportive environment for your child to learn and grow in. Your participation as our partners in your child's education is of utmost importance. We will constantly strive to provide high quality instruction, support, resources, and care for your child. Please be sure to ask your child about his/her day, review information that comes home at day's end, communicate with our teacher(s) and consider participating in our incredible PTO. We look forward to sharing the best years of your child's development with you while supporting the challenges and celebrating the many successes along the way. Please see the following *Save-the-Date* information and feel free to contact our Elementary Office at 814-765-5511 (ext. 1000) with any questions you might have.
