Dr. Shelli Wilson, Superintendent | Adam Ritter, Assoc. Superintendent | Mark Krummen, Asst. Superintendent

April 3, 2026

Dear Campbell County Schools Staff, Students, Families, and Community,

It is with both gratitude and many mixed emotions that I share my decision to retire after the completion of this school year, following 32 years of service in public education, including 25 years in Campbell County Schools. I have loved my calling of public education every day of my career.

This decision has not come easily. I have spent my career alongside extraordinary students, staff, and a community that deeply values education. My only hesitation in stepping away is rooted in how much I care for each of you and the work we do together every day. Serving as your superintendent has been one of the greatest honors of my professional life.

I am incredibly thankful to the Campbell County Board of Education for their trust, partnership, and leadership. We have an outstanding board, and I am excited to see their continued accomplishments. I am also grateful for the support and kindness extended to me by our entire school community throughout my tenure.

Together, we have advanced meaningful, student-centered work that will have a lasting impact.

Our commitment to providing well-rounded experiences for students is evident. Campbell County Schools are amongst the top in the state academically and in extracurriculars. Our students achieve and perform at the highest levels, and they have opportunities such as 33 career pathways to experience. Their futures are limitless, and our students are prepared.

None of this work would have been possible without you. To our staff, thank you for your dedication and for always placing students at the center of your work. To our families and community, thank you for your trust, your support, and your partnership. To our students, thank you for inspiring us daily with your resilience, talent, and potential.

Campbell County Schools is an outstanding district, and I will leave knowing it will continue to provide world-class opportunities for every student. Our students deserve our very best. The systems, people, and vision in place ensure that this remains a district we can all be proud of for years to come.

Please know that my commitment to our students and this district remains strong. I will continue to serve with focus, care, and determination throughout this transition, working to ensure a smooth and successful path forward.

While this chapter is coming to a close for me, I will always carry deep appreciation for the relationships, accomplishments, and shared purpose that define Campbell County Schools.

With appreciation,

Dr. Shelli Wilson
Superintendent
Campbell County Schools
