Welcome to Wall

NEW RESIDENT GENERAL INFORMATION – CITY OF WALL

UTILITY BILLS:

Utility bills are mailed out before the last day of the month. Utility bills are due by the 10th of each month. Utility payments can be mailed to the City of Wall, deposited in the City drop box located in the front of the City Library building or paid in person during office hours. If the amount due has not been paid by the 10th of the month a $10.00 penalty will be added to the balance. If payment in full is not received by 4:00pm on the last working day of that month, service will be disconnected. Service will not be reconnected until all charges due and reconnect charges of $25.00 are paid in full.

All renters and owners must pay a water deposit in the amount of $180.00, payable to the City of Wall at the City Office. Meter deposits are refunded upon request after 12 consecutive months of no late fees with the City of Wall. Once the water is turned on, you will also be billed for sewer and garbage.

Garbage pickup in Wall is done early each Thursday morning by Kieffer Sanitation. If dates change due to a holiday or other reason, notice will be posted online. A large green garbage container has been provided for each house. Please do not leave your garbage containers on the curb all week. It could blow away or be in the way of road maintenance equipment.

This facility is open by appointment only. Please contact our public works department to find out what can be disposed of at this site, at 515-1771 or 515-1753. There is also an open (unlocked) area available next to the Rubble site for the disposal of yard waste (leaves, tree branches, grass clippings, and similar vegetation).
