School Group Guidelines for the 2027 Season

Club Limit: 25 students. Taos can only host 25 EVHS students this winter.

Sign Up: Students may start signing up on October 1, 2026, with Salomon Maestas in room 400.

Eligibility: Participating students must follow the EVHS student handbook guidelines and extracurricular activity requirements, with a minimum GPA of 2.0.

Grade Checks: We will conduct an initial grade/eligibility check when the student signs up. A final grade check will be conducted at the end of semester 1 to verify eligibility. If a student is not eligible, they will forfeit their Taos Fees paid to Taos Ski Valley. EVHS bus fees will be returned.

Selection Criteria: The first 25 signed up will have a grade check completed. If they are not eligible, we will move to student 26, etc until 25 slots are filled.

Lessons: Lessons instructed by a Taos PSIA-certified instructor are mandatory. If you skip your lesson, you will not be allowed to attend the next trip, with no refund of fees paid. Lessons are your EVHS daily class instruction time.

EVHS Ski Club Google Classroom Code: Will be provided to the 25 students who meet the eligibility criteria once all 25 slots are filled.

For a student to participate, **Taos will need digitally signed waivers on file** - this needs to be done once per season only - and there is one waiver for rental equipment and one waiver for lessons.

- Missing information means no participation.
- **We must have a valid email address for each student, or parent/legal guardian if the student is a minor, and a parent contact phone number.**
- It is the responsibility of the participants/parents/legal guardians to sign the waivers.
- Once we have a signed liability form for a participant in our system, that waiver is good for the rest of the season, and this step will not need to be done again.
- **Without a signed liability waiver on file, students cannot rent equipment or participate.**
- The cutoff date for changes and for submitting signed liability waivers is three days TBD before the scheduled trip.
- Payments must be made by set dates
- EVHS students must have an EVHS field trip waiver signed and turned in for the trips before participation is allowed.
- EPS Bus passes are required, so please make sure you have your bus passes.
