Odyssey of the Mind	\$40	\$400
Art Club	\$50 per semester	\$400

Additional Costs: Board-approved activity fees cover the direct costs of participation in an extracurricular activity. Students who are selected for or elect to participate in optional travel, competitions, performances, camps, or similar events may be responsible for the actual cost of those events. Activity fees are not incurred until after try-outs and not unless a student makes the team. Such costs are separate from the activity fee, will be communicated to families in advance, and may be offset through approved fundraising opportunities, when available.
