

ALTUS READY: EMERGENCY SUPPLY KIT

Know the Risk

Emergencies can happen quickly and may limit access to power, water, food, medication, transportation, or other essential services.

Having supplies ready before an emergency can help your household stay safer and more comfortable.

Your kit should be easy to carry, easy to find, and updated regularly.

Basic Emergency Supplies

- Recommended items include:
- Water
- Non-perishable food
- Flashlight
- Extra batteries
- First aid kit
- Battery-powered or hand-crank radio
- Cell phone charger or power bank
- Whistle to signal for help
- Dust mask
- Moist towelettes
- Garbage bags and plastic ties
- Manual can opener
- Wrench or pliers
- Local maps
- Copies of important documents
- Cash in small bills
- Extra clothing and blankets

Water and Food

Plan for at least **three days** of supplies for each person in your household

Water: One gallon per person, per day

Food: Non-perishable items that do not require refrigeration or cooking

Medications and Medical Needs

- Include supplies for medical or access needs, such as:
- Prescription medications
- Over-the-counter medicine
- Copies of prescriptions
- Glasses or contact lenses
- Hearing aid batteries
- Mobility device supplies
- Medical device backup power plan
- Emergency contact information
- Talk with your medical provider ahead of time if you rely on refrigerated medication or powered medical equipment.

Children, Pets, and Special Needs

- Customize your kit for everyone in your household.
- Consider adding:
- Baby formula
- Diapers and wipes
- Children's comfort items
- Pet food
- Pet medication
- Leash, carrier, or crate
- Extra water for pets
- Copies of pet vaccination records
- Supplies for older adults or people with access and functional needs

Keep Your Kit Updated

Check for:

- Expired food
- Expired medication
- Dead batteries
- Outgrown clothing
- Updated contact information
- Seasonal needs, such as blankets, sunscreen, or extra water
