Sec. 30-4. Excessive noise in city recreational facilities and areas.

(a) *Generally.* It is unlawful for any person to play, use, operate or permit to be played, used, or operated, any radio, compact disc or tape player, musical instrument, drum, phonograph, sound amplifier or other machine or device that produces, reproduces, or amplifies sound in any parks, playgrounds, detention pond areas, recreation areas or any other outdoor publicly-owned place, parking lot, street or right-of-way so that the sound produced is plainly audible to any person other than the operator, at a distance of 50 feet away from the source of the sound, at any time, day or night.

(b) *Signs posted.* All city parks, detention pond areas, and recreation areas shall be posted with signs advising of the prohibition of loud noises within 50 feet of adjacent residential areas, citing this section number and the penalty for violation.

(c) *Exceptions.* The provisions of this section shall not apply to activities that have been approved by the city and are conducted pursuant to a valid city parade or public meeting permit or to activities to be conducted in rented city facilities unless the noise is heard after 11:00 p.m.

(d) *Violations and penalties.* Any person who violates any provision of this section shall, upon conviction, be subject to a fine of $300.00, plus court costs, or imprisonment for a term not exceeding 60 days, or both. In addition, if a police officers has made more than two contacts with the violator concerning the loud noise, then the officer may direct that person to vacate the area. If a person, after direction by a city police officer, fails or refuses to vacate the park, detention pond areas, or recreation area, he shall be in violation of obedience to a police officer and shall be subject to removal from the area by city police officers.
