CLOVERBUD GOALS

Develop self understanding and confidence

Achieve success in learning and feel a positive sense of accomplishment.

Learn how to communicate in positive ways.

Learn how to share, work together, compromise, and resolve conflict.

Cloverbud members attend fun-filled meetings that include a learning activity, recreation, and a snack time.

4-H Cloverbuds is a program especially designed for children 5-7 years old. A major goal is to help kids get excited about learning and have immediate success in their learning efforts.

4-H Cloverbuds explore art, plants, animals, science, and the environment. The youngsters engage in group activities that promote personal development, health lifestyles, and good citizenship.

4-H Slogan:

"Learn By Doing"

4-H also has a program for children 8-18 years old!

A trained 4-H Volunteer leads the meetings with help from the parents.
