JANUARY 20, 2026**

Present: Committee members Mark Getsay, chair; Todd LeVeck and Dave Greenspan.

Also present: Councilmembers Duane Van Dyke, Dave Del Regno, and Amy Havelka; Mayor Dennis Clough; Service Director Chris Stuhm; Engineering Director Jim Smolik; Recreation Director Paula Horner.

The meeting convened at 6:01 p.m.

**I. Discuss contributions towards city facilities.**

Mayor Clough explained that Dr. Vasu Pandrangi and his wife, Lisa—residents of Westlake who have raised their family here—would like to make a generous donation of \$1.5 million to the city to give back something lasting and useful to the citizens of Westlake in the way of a facility for family events or gatherings. Engineering Director Smolik presented preliminary ideas involving Clague Park Cabin renovations and a new building at Bradley Nature Park. He stated that Westlake resident and architect Steve Schill has offered to donate his professional services for the design. Mr. Smolik reviewed the 2026 and 2027 budgets and the Recreation Improvement Fund and projects already planned. Councilmembers expressed gratitude to the Pandrangis for their generous donation and asked general questions of the administration. The consensus was for the Mayor to move forward working with the Pandrangis to accept their donation and grant them naming rights consideration.

The meeting adjourned at 6:27 p.m.

Respectfully submitted,
