CDL PROGRAM TUITION TRAINING OPTIONS

Tuition

Individual Class A Training Tuition: $6,195*

Partnered Class A Training Tuition *(Automatic Transmission)*: $5,495**

Class B Training Tuition: $4,800

Please Note: $2,500 is required at time of application to reserve a space in the class.

Individual Class A Training*

The Individual Class A Training provides students with an individual one-on-one training experience at the range and on the road. This training option is one student to one instructor throughout the entire driver training instruction. (Manual or Automatic Transmission)

Partnered Class A Training**

The Partnered Class A Training provides students the opportunity to partner with another student for a shared training experience in our ***"automatic"*** transmission only. This option is two students to one instructor throughout the entire driver training instruction.

Class B Training

The Class B Training is available to students as a one-on-one training experience at the range and on the road. (Manual or Automatic Transmission)
