Community

Situated on Lake Champlain in Chittenden County (Vermont's largest county) the 10K plus residents of Milton, Vermont are held together by a patchwork of farms and small industry. Milton is a growing community that benefits from Vermont's beautiful outdoors, while still enjoying the urban and cultural influences of Montreal, Canada to the North and Vermont's largest city, Burlington, to the south.

Academics & Curriculum

Milton High School is a public high school with an enrollment of 400 students in grades 9 through 12. All students are heterogeneously grouped in 9th and 10th grades and self-select classes in 11th and 12th grades based on post-secondary plans. There are four quarters. Each quarter is nine weeks in length. Courses run one quarter (.5 credit) or one semester (1 credit). Some Advanced Placement courses run 3 quarters (1.5 credits) while others run 4 quarters (2 credits).

MHS provides students with a comprehensive, broad based curriculum with no curricular tracks. There are over 100 courses offered. MHS offers flexible pathways where students choose from a range of study options that will help them accomplish their college and career goals. These pathways may include traditional courses, dual enrollment, early college, courses at local tech centers, internships/work based learning and online classes through Virtual Learning. All students are encouraged to select the most rigorous classes possible.

Advanced Placement Courses
MHS offers 11 AP courses open to all students covering all four core subject areas as well as World Languages and Fine Arts. MHS strongly encourages students to take AP examinations in all classes that they have taken and 50% of 11th and 12th graders are currently enrolled in at least one AP class and 53% are enrolled in 2 or more.

World Language Courses
MHS has three World Language offerings—French, German and Spanish. World Language has one AP offering in German. Students in this class have the opportunity to travel abroad to augment the class. Recent trips have included Germany, Austria and Switzerland.

Service Learning
All students must complete a 30-hour service-learning project as part of their graduation requirements. Upon completion of their hours students will complete a written reflection and PowerPoint presentation and present to faculty and/or community members.

Graduation Requirements
To meet graduation requirements and earn a Milton High School Diploma, students must earn a minimum of 24 credits. All seniors must be enrolled as full-time students, earning at least 6 credits during their senior year. Most students earn far more than 24 credits. Students attend five 75-minute periods daily and have one 25-minute period for Teacher Advisory. The specific requirements for graduation are:

English/Language Arts: 4 credits
Social Studies: 3.5 credits
Math: 3.5 credits
Science: 3 credits
Physical Education: 1.5 credits
Fine Arts: 1 credit
Health: .5 credit
Service Learning: .5 credit
World Language: 1 credit
Personal Finance: .5 credit
Technology: .5 credit

Transcript Interpretation and Grading System

Milton High School uses a Course Grade as well as a Proficiency-Based Grading System to ensure that all students demonstrate achievement of critical learning standards. GPA is not weighted. Students are assigned a percentile rank. Grades are reported to colleges after the first marking period. Service Learning is indicated with a "P". Honors distinctions at graduation are based on the following:

Summa Cum Laude = GPA of 4.33-4.1
Magna Cum Laude = GPA of 4.0-3.8
Cum Laude = GPA of 3.7-3.5
