Moment of Excellence

Buckeye Boys State | Academic Success Williamsburg High School

This month we celebrated three high school Seniors who attended Buckeye Boys State this summer. They learned about government processes, elections, and how to be a contributing member of society. Congratulations Charlie, Kenny, and Cole!

We also recognized Wyatt's impressive accomplishments on the Algebra I State Test in the Spring of 2025. Wyatt earned a perfect score! We also recognized Mr. Kirk, who recently received his award as the OASSA Zone 2 Assistant Principal of the Year!

Superintendent's Celebrations

- It's been an exciting month of events around the district; from Homecoming Week to Hope Week (presented by Hope Squad), lots of excitement has taken place throughout the grounds.
- Thanks to all who donated to the Wildcat Walk fundraiser at the Elementary School! The students enjoyed their day at Abrams Stadium celebrating!
- Staff Appreciation Night at the Football game on October 10 was a great night to recognize the WLSO staff members and their contributions to our district's success.
- This past Sunday, October 12, we took "One Last Look" at the Old High School. In conjunction with the Alumni Association, we welcomed the public to walk through the building. It was a great day to swap stories and share memories with classmates and teachers.
- National Honor Society inductions will take place on Thursday, October 23.
- We will hold our annual Veteran's Day Assembly on November 11 at 9:45am
- High School Football and Girls Cross Country are League Champions
- Middle School Football is Middle School co-Champion

Treasurer's Report | Five Year Forecast

- Williamsburg Local School District receives 53% of its funding for the district from state dollars, which is very beneficial to the overall operations for the education of our students.
- The district thanks the community for their support and trust, voting to renew our Emergency Levy on March 19, 2024. This renewal provides \$996,826 annually through FY30. Local financial support is the lifeblood of Williamsburg Local Schools, and we are proud to provide a good return on investment—an exceptional 4.5 STAR rating back-to-back years.
- The district also wants to express our appreciation to the Clermont County Community Improvement Corporation, Inc. (CIC) for choosing Williamsburg to be the home of the South Afton Commerce Park, and to the companies who have chosen to invest here. The PILOT and TIF revenues from those enterprises are funding crucial capital projects with no additional tax burden on the citizens and homeowners of Williamsburg. For that, we are all sincerely grateful.
- Williamsburg Local School District is solvent for the next four years; however, the district is projecting a negative cash balance in the fifth year of the forecast in FY 2030. Flat funding coupled with increased cost has caused the district to deficit spend each year beginning in FY2025. The graph below shows the ending cash balance for each fiscal year end.
