Moment of Excellence

Buckeye Girls State | Equestrian Success Williamsburg High School

This month we celebrated four high school Seniors who attended Buckeye Girls State this summer. They learned about government processes and gained lifelong friendships throughout their experience. Congratulations Hailey, Julia, Hope, and Emily!

We also recognized Abby's impressive accomplishments in Equestrian competitions, which took place beyond the school setting.

Superintendent's Celebrations

- The 2025-2026 school year is off to a great start, as well as Athletics and the Marching Band.
- Next week is Homecoming week. Students have several events to look forward to, including the annual Carnival, Senior Picnic, and Pep Rally, as well as the parade, football game, and Homecoming dance.
- October 12 is the tentative date of the the Tour/Open House of the Old High School. More information to come.

Treasurer's Report

- Mr. Unversaw reported that the month of August has successfully been closed out. The finance office staff has been doing great work, and he appreciates everyone making him welcome.
- The five year forecast is now a 3 year forecast, and is now due by October 15

Donations

We would like to thank Kristen Sampsel and the Williamsburg Farmer's Market for their generation donation to the students at Williamsburg Local Schools. We appreciate your partnership and support!

Discussion Items/Major Items of Business

- Mrs. Tina Reichert, Director of Student Services, shared a presentation relating the state of Student Services in Williamsburg Local Schools
- The Student Life Committee vetted some requests for spiritwear, fundraisers, uniforms, etc.
- The Finance Committee reviewed the preliminary five-year forecast, which will be evolving to a three-year forecast with the newly passed House Bill 96. The Wildcat Athletic Center and STEM lab building funds were discussed. The committee discussed processes within the finance department how having a fresh set of eyes on financial reports can improve operations moving forward.
- The Technology Committee met and discussed current operations of the website/communication app, NFHS, and the current building projects.
- From the Facilities Committee - We are still waiting on a few pieces of furniture and machinery to complete the STEM lab. At the Wildcat Athletic Center, the roof is now complete over the batting cages, and the masons are moving along with the brickwork. There is a major core meeting for the new Elementary School build on Thursday.
- Mrs. Morgan Eilerman, College and Career Readiness Coordinator, shared the Wildcat Future Hub that she has been building. This platform will inform students and parents about optional pathways that can be taken through their Wildcat journey.
- The Grant Board met in August - everything at Grant Career Center is off to a great start. The Allied Health project is coming along well.
- A fund for Middle School Yearbook was established.
- The FY 2026 Permanent Appropriations were approved.
- An MOU between Ohio Code Scholar and WLSB was approved.
- An MOU between Child Focus and WLSB for head start services and for preschool services was approved.
- An MOU between Clermont Co. Mental Health and Recovery Board and WLSB for school based behavioral health services was approved.
- A resolution to participate and authorize the Southwestern Ohio Educational Purchasing Council to advertise and receive bids for the cooperative purchase of 1 or more buses was approved.
- A change order for the WAC Project for a Range Receptacle was approved.
