A Message from the Superintendent

WELCOME to the 2026-27 school year!

Cornwall-Lebanon School District is pleased to provide you with this district calendar of events. We encourage you to take a few minutes to review the front pages to learn how to easily navigate the District website to locate a wealth of resources, including school policies and information specific to each building.

Contact information for all District administrators and schools is listed on the back cover of this calendar. The back cover resource listing will assist you in identifying the most appropriate person to contact if you have questions, concerns, or comments about school district matters.

Stay current with District and student news by following Cornwall-Lebanon School District on social media (Facebook and "X"). Parents will receive important communications directly from their child's building administrator via the Message Center in CLSD Skyward Parent Access, or our emergency notification system. Also, parents/guardians are encouraged to verify their contact information in Skyward to ensure phone calls, text messages, or emails issued from the District are received. Refer to the Emergency Notification System section in the next column.

Parent and community support at CLSD is an integral part of maintaining a successful school district with high quality academic and extra-curricular opportunities for students. The continued support you provide for CLSD students is greatly appreciated. Families and community members are encouraged to attend District activities, as feasible.

Please know that at any time we may need to alter any of the athletic, extra- or co-curricular offerings published in this year's calendar. Check the online calendar at www.clsd.k12.pa.us for the most up-to-date status of events and activities.

Thank you for your support of the students in the Cornwall-Lebanon School District. Let's enjoy a great year of learning and growing together!

Sincerely,

Philip L. Domencic, Ed.D.

Emergency Notification System

Cornwall-Lebanon School District uses an emergency notification system to share inclement weather and other important alert information with student families.

Notifications can only be as accurate as the information you (parents/guardians) have provided to the District. When you log in to Skyward Family Access and are asked for account verification, complete all four steps and update your email and phone numbers, if needed. Be sure your personal device settings allow (do not block or send to spam) emails from @clsd.k12.pa.us, text messages from 98900, and calls from (717) 272-2036.

Also, be sure to allow the phone number from your child's or children's school building(s). Please update your contact information in Skyward Family Access anytime you move or change email addresses or phone numbers throughout the time your child(ren) is/are enrolled in the District.

Inclement Weather Procedures

The decision to close school or open two hours later will be announced before 7a.m. via phone/text/email and on local radio and TV stations listed below. It also will be posted on the District's website Home page: www.clsd.k12.pa.us and on our social media, Facebook and X. When adverse weather conditions develop during school hours, the stations, identified below, will be advised and will announce the time of dismissals. Please do not place calls to the school because the telephones may be needed for emergencies. **Consult the District's homepage for current information and important announcements.**

Television Stations:
WGAL Channel 8 (NBC)
WHTM Channel 27 (ABC)
WHP Channel 21
WPMT FOX 43

Radio Stations:
WLBR AM 1270
WiLBuR FM 99.7
WFVY FM 100.1

*A message also will be sent in the event of a late start, unscheduled early dismissal, or school closing.

In the event school is delayed for one or two hours, student transportation drivers will pick up students at their scheduled bus stop one or two hours later than the usual time posted in Skyward for your child(ren).

Parents are urged to devise and discuss a plan of action for young children when no one is home during early dismissals or delays.

Weather Make-up Days

If weather make-up days are needed during the 2026-2027 school year, they will be used in this order: (1) Friday, Feb. 12, 2027; (2) Tuesday, March 30, 2027; (3) Thursday, March 25, 2027; (4) Monday, March 29, 2027.

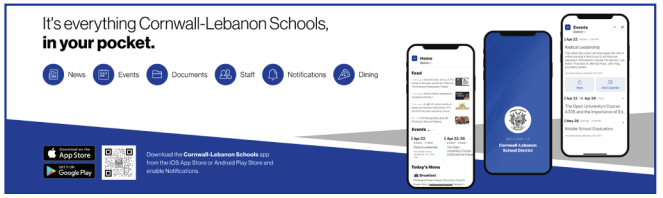

Flexible Instructional Days (FIDs)

Cornwall-Lebanon School District is committed to providing in-person instruction for its students but understands that winter weather conditions may occasionally require alternative approaches. In such cases, the District may utilize Flexible Instructional Days (FIDs) as a way to deliver instruction in a non-traditional manner. FIDs are designed to allow public schools to adapt to unexpected circumstances that prevent traditional in-person instruction.

The District has built weather make-up days into its school year calendar and will use FIDs as needed when all built-in weather make-up days have been exhausted. The decision to utilize a FIDs day would be made in advance in order to provide notice to parents/guardians and allow teachers to have time to prepare meaningful lessons.

Information about FIDs at CLSD is located on the website for your child's school. Look for the FIDs Quick Link icon.

Concern Resolution Process

From time to time, concerns and/or complaints arise that require a process for reconciliation. In these instances, the individual with the complaint should seek a remedy with the party most directly involved (i.e., teacher, bus driver, or administrator). If some mutual resolution cannot be reached, the complaint should be addressed to the building principal. In the event the problem still remains unsettled, contact should be made with one of the directors, or the superintendent. Concerns that are not reconciled at this level should be directed to the Board of School Directors for their consideration.

Please refer to the diagram on the back cover.

CLSD Budget

In Pennsylvania, public school districts are required to adopt a final budget by June 30 of each year. The process is governed by Act 1 of 2006, which sets the maximum percentage increase for real estate taxes without a voter referendum or approval from the Pennsylvania Department of Education. The maximum percentage is calculated based on statewide averages and adjusted for each district's market value and personal income aid ratio.

Each year, school districts must choose to either adopt a preliminary budget by 90 days before the primary election or adopt a resolution stating that taxes will not be increased above the maximum percentage by 110 days before the primary election.

For information concerning the 2026-2027 CLSD General Fund Budget, visit the District website under **Services->Business Office->General Fund Budget.**

Artificial Intelligence in Our Schools

As artificial intelligence (AI) continues to evolve, our District is taking a thoughtful and conservative approach to its integration in education. We are committed to ensuring that any use of AI aligns with our core values of student safety, data privacy, and instructional integrity. AI tools are being carefully vetted through a structured process that includes data privacy checks and professional learning for staff. Our goal is to explore the benefits of AI while maintaining a strong focus on responsible use, transparency, and community trust.

Early Intervention Program

Lancaster-Lebanon Intermediate Unit 13 provides services for children who are developmentally delayed between the ages of three years and school age. Programs are available in a number of settings throughout the two-county area. These services are available at no cost to parents. Available services include classroom instructional services, physical therapy, occupational therapy, and speech and language therapy. If you have a child who you think is eligible for services, or if you know of a child who needs services, please call (717) 665-2366. Early intervention makes a difference in a child's life!

Entrance (Age) Requirements

For a child to enter kindergarten this fall in the Cornwall-Lebanon School District, s/he must have reached the age of five (5) BEFORE September 1. A child must have reached the age of six (6) BEFORE September 1 to be enrolled in first grade.

Change of Address

Students whose address changes during the school year must report the change to Central Registration (717) 272-2031. Examples of acceptable proof of address change are a lease, deed, property tax statement, mortgage statement, or settlement papers. Parents can make changes to phone numbers in their Skyward Parent Portal.

Equal Opportunity Employer

The Cornwall-Lebanon School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex, age, and handicap in its activities, programs, or employment practices as required by Title VI, Title IX, and Section 504. For information regarding civil rights or grievance procedures, contact the Compliance Officer at 105 East Evergreen Road, Lebanon, PA 17042 (717) 272-2031.

Childcare and Extended Learning Programs Available within CLSD Buildings

The Lebanon Valley Family YMCA offers school-age childcare in most CLSD elementary school buildings. Each center is licensed by the Department of Human Services and participates in the Keystone Stars Program. Registration forms are available at the YMCA, online at lebanonymca.org, and by calling the administrative assistant at (717) 376-1384.

Intermediate Unit 13 offers Head Start in some CLSD elementary school buildings. Head Start is a comprehensive preschool program for three- and four-year-old children and their families that provides young District children with the school readiness skills they need to succeed in kindergarten. Head Start utilizes Creative Curriculum and follows PA Early Learning Standards and the Head Start Early Learning Framework. To apply, or to seek additional information, please email headstart@iu13.org, or call (717) 450-1512.

Volunteers and Chaperones in Our Schools

Cornwall-Lebanon School District greatly appreciates the volunteers and chaperones who provide assistance to students and teachers through their participation in classroom support as well as special events and activities. Volunteers are essential to the success of students.

Anyone who will be serving as long-term or short-term volunteers for CLSD must submit completed clearances to the District prior to serving as a volunteer. Volunteers will need background clearances if they will be involved directly in the care, supervision, guidance, or control of children and have routine interaction with children while in a District school or on District grounds. This includes persons with direct or regular contact with children through any school-sponsored program, activity, event, or service, including school-sponsored youth programs, recreational programs, sports or athletic programs, outreach programs, enrichment programs, or similar programs or events conducted on District property.
