STUDENT FEES

Students may pay school fees in the main office during lunch or after school. Fees can also be paid through the website under Quick Links (A-H), choose Fee Payments and then follow the prompts. Course credit cannot be certified until fees have been paid. Students will not be allowed to attend school dances or receive a work permit until fees are paid or a payment plan is arranged. Fees are required to be paid in full to attend Prom and to participate in the graduation ceremony.

CCP

If your student is interested in taking College Credit Plus courses next school year, families are required to attend a CCP Informational session hosted by UHS. This year, we are offering two sessions to help with family's schedules. These meetings will be on December 10th and January 26th at 7:00 p.m. in the UHS cafeteria. Please be aware that you need to attend even if the only CCP courses your student intends to take are in our building. This is an annual requirement so both a parent/guardian and the student need to attend even if you have done this in previous years. CCP is open to students in 7th through 12th grades. Completing this information does not commit you to anything, but per ODE rules, students cannot participate if they do not complete these steps. Contact Mrs. Leonard if you have any questions.

ABSENCE REPORTING & ATTENDANCE

A parent or guardian must call the school attendance office (937-653-1414) before 9:00 a.m. to report student absences. **Emails will not be accepted as a method of reporting absences.** If no call is received by 9:00 a.m., the school will attempt to contact the primary number on file between 9:00 and 9:30 a.m. If contact cannot be made, the student must bring a signed note from a parent or guardian upon returning to school. This note must include the date of the absence and the reason for the absence. Students may not be absent for more than 8 days or 48 hours during the school year without written documentation from a physician or verification of court attendance. Absences beyond this limit that are not properly documented will be considered unexcused and may be subject to truancy procedures in accordance with state and district policy. **Students must be in attendance a minimum of four full class periods in order to participate in or attend athletic contests, musicals, dances or other scheduled events.** If a student becomes ill while at school, he/she must contact the school nurse. Students are not to contact a parent without receiving authorization for dismissal. The absences will be considered unexcused and disciplinary action will occur. Vacations during the school year are discouraged and DO count toward the 8-Day/48-Hour absence rule. If a student is absent for minor illness or medical issue, we do expect students to continue to stay current on their assignments and any assessments that are permitted to be done from home. When absent, students should email their teachers and check their Google Classroom accounts daily.

Parent Access

It is not too late to set up your Parent Access account! In order to set up a Parent Access account to monitor your child's grades and see quarterly report cards, you will need a school provided registration key. To obtain this registration key, please email ashley.sullivan@urbanacityschools.org

FinalForms

If you have any changes to phone numbers, addresses, medical information, etc. Please be sure to update your information in FinalForms. Once the information has been updated, the secretaries will be notified that changes have been made to your child's information. To update your information, please visit urbana-oh.finalforms.com and choose the parent login option. If you need help getting logged in or updating your forms, please contact Ashley Sullivan: ashley.sullivan@urbanacityschools.org
