Edition 11.16

The Laker Scoop

Veterans Day Assembly

By: Calvin Burl

On November 11th, we celebrated Veterans Day with an assembly. The middle school student council ran the event, honoring all the men and women who sacrificed everything so we can be here today. Because there is always more we can do to support our veterans, Laker Middle School is also participating in the Wounded Warrior Project (WWP). This program honors veterans with cards written by people from across the United States. Our students wrote letters to be delivered to veterans, hoping to make their day ten times better. Below is a featured photo of the middle school student council from the assembly.

The Laker Middle School student council ran the Veterans Day assembly. They recently held an election to determine the President, Vice President, Secretary, and Treasurer. The newly elected President is Ethan Dorsch, and the Vice President is Hazel Scharf! The Secretary is Everlee Roth, while David McCormick and Alex Scharf are co-Treasurers!

Sports and interview

Basketball and Vex
By: Calvin Burl

8th Grade Girls Basketball
The 8th grade girls basketball team won all their games this week with Monday against Caro being 27-7 and Wednesday 31-16 against Cass City!

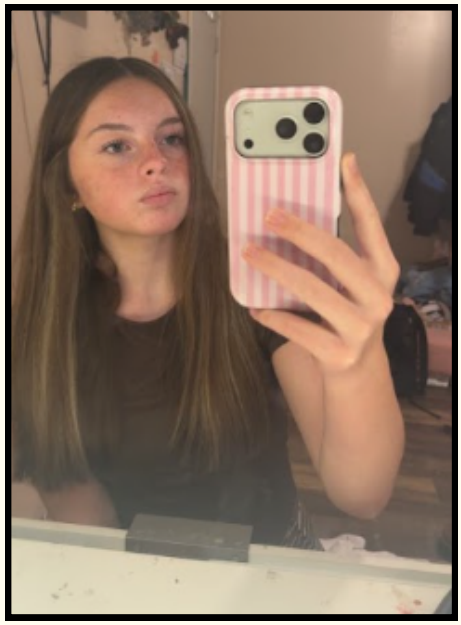

7th Grade Girls Basketball
The 7th grade team won Monday 28-18 and sadly lost on Wednesday by one point to Cass City.

Vex Tournement
The Laker Vex teams did very well with one of the teams even getting first place. This year's game is “Level Up” where you stack beanbags on different level towers. Great job Vex!

Student Interview

by: Gordon O’Connor

This is Maddie Jobson. She is a 7th grader. Her favorite thing to do is to play basketball. Her favorite subject is Math and in the future, she is interested in pursuing Cosmetology. One thing that people might not know about her is that she is really funny. A goal she has for this school year is to get all A’s. A piece of advice that she has for the Laker students is “To not care what other people think and to be yourself.”

Staff Interview

By: Hunter Fritz

This is Mrs. Warneck. She handles attendance for the Laker Secondary School and customer service for parents and students. She has been a staff member for four years. Her favorite movie is How to Train Your Dragon. Her favorite thing to do in her free time is to do outdoor activities with her family. Her favorite candy is dark chocolate or Sour Patch Kids. The piece of advice she has for Laker students is to “put in your best effort!”
